We meet Cillian Greenmeadow who is rough around the edges but has a huge Heart! He is a dragon for hire to the shadier people of society. Cillian worries about the hoard of gold his family has. He believes that the coffers are running low. Chicago's ruling family the Accardos have a problem and need Cillian to fix it. Antonio's daughter Ruby has found herself in a bit of a bind with the leader of a biker club made up of wild wolf shifters. Ruby needs out and fast. Antonio wants her home. Cillian sees this as a win, win for him. Get the girl and get his gold. One problem is Cillian did not plan on falling for the mob boss's daughter. This is a witty, sexy and hot steamy story to the series. A few twists and turns but ultimately the Dragon gets his mate.

KurzbeschreibungCan a billionaire bad boy dragon change his ways and put it all on the line for one curvy, sassy redhead? Cillian Greenmeadow is a fixer, the guy who makes problems disappear in a puff of smoke. Confident, charming and a real bad boy at heart, right down to the tattoos, everything seems to come easy to the Alpha dragon. Only when he meets a sexy, stubborn Italian mob princess does Cillian feel that he might have found a problem he just can't fix. Worse yet, he may not want to. Wouldn't getting in trouble with her be a lot more fun? Ruby Accardo's done everything right until all her life. Now, she's committed to doing everything wrong and it doesn't take too long until it catches up with her. When a particular dragon shows up to get her out of her bind, all bets are off. Stuck between an offer she can't refuse and a werewolf biker that won't take no for an answer, Ruby needs to decide between being good and being bad far faster than she'd intended to. But if the right choice includes a hard, devilish billionaire dragon, maybe it won't be so bad? Add in a foe with a grudge and a marriage that just has to happen and you're left with a lot of fire and no one to put it out... Warning: Billionaire Dragon's Mate is a standalone novel with no cliffhangers and a bad boy dragon you just can't get enough of. Be aware that there's plenty of sexy, steamy heat and bloodcurdling action in this book and it is meant for mature audiences!
