KurzbeschreibungBillionaire bear shifter Victor Carrington only wants one thing: To buy up the New York Watershed and give his people a place to roam free. With plenty of resources at his disposal, he always gets what he wants. At least until a deliciously curvy lawyer walks into his plush Manhattan office and starts making demands. Everyone might think Victor is just an eccentric philanthropist, but Amanda Quinn knows better, and she's prepared to take Victor to court to prove it. For Amanda, it isn't just a matter of principle. Victor's lawyers are trying to seize her land--land that's been in her family for centuries.And she's not about to let some arrogant billionaire get the best of her--even if his intense eyes seem to have a habit of completely disarming her.But Victor isn't what Amanda thinks he is, and when she's caught up in the middle of a deadly battle between shifters and hunters, he's the only one who can protect her. Billionbear Protector is a standalone novella with a HEA and NO CLIFFHANGERS!Content Warning: Contains explicit love scenes, a tense stand-off between shifters and hunters, and loads of sexy banter.KurzbeschreibungBillionaire bear shifter Victor Carrington only wants one thing: To buy up the New York Watershed and give his people a place to roam free.
