Von Sophia Scarlet : Bind Me: Absolution part three (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bind Me: Absolution part three (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great ending to this series.Von LivThis conclusion to the Absolution series starts right where it left off in the second book. Jumping right into the action.We probably all asked ourselves after the second book what will happen with Agnes. How will she explain to David that she is still married to Jonathan but loves David and wants to spend her life with

him? And more important, will David listen to her? Since Jonathan turned up at David's Birthday Party and kind of crashed it, David knows about Agnes' secret. Will he forgive Agnes for lying to him and being married? Is Agnes able to sort her things out and be happy with David? How will Jonathan handle this situation? Is he willing to let Agnes go or does he fight for his wife, which he abandoned the last few months? I loved that we didn't miss out on anything and the story jumped right into it so we get to read all the juicy stuff. I think it was wrong of Agnes that she wasn't honest with David and Jonathan. I really hoped that everyone would be happy in the end and now I can say that I was not disappointed with the ending of this series. I really enjoyed the writing and was hooked from the beginning to the end of this story. I really loved that we got a look inside Jonathan with his POV. I always felt so sorry for him though in this book I felt really horrible because we always just thought about how Agnes had to deal with the loss of her son but Jonathan also lost his son and was alone. It's fair to say that I loved this book. =) It was really great. We finally got the conclusion between Eliza and her ex-husband. And I really liked that David didn't just jump right back on her but gave themselves a few weeks to process their chances. This was needed really badly because they have been on each other since the day they've met. -- I received an ARC of this book from the author Sophia Scarlet in exchange for an honest review. --

Kurzbeschreibung She told me she loved me. She told me she wanted a future with me. Was it all a lie? When David Lake learned the truth about Agnes Bright everything changed. Will the passion they shared be enough to bind them together or was everything between them a beautiful illusion? The three book Absolution series is meant to be read in order: Bend Me (Absolution part one) Break Me (Absolution part two) Bind Me (Absolution part three) **Be advised that this novel contains BDSM content, dark elements, and mature subject matter. Due to explicit sexual content and adult language this novel is recommended for readers 18 and older.
