Von Rebecca Espinoza : Binds (Binds Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Binds (Binds Series Book 1) (English Edition):

Stephanie at No BS Book s "The debut novel by Rebecca Espinoza is intriguing, exciting, and well written." -Kayla at My Book Muse "Stop what you're doing right now and GO READ THIS BOOK! Ophelia Brands life is in shambles. Married to an abusive man and forced to act like the perfect politicians wife in public, her freedom has been completely stripped away. Alone and without purpose, Ophelia feels as if there isnt much in this world to live for. Everything changes when an employee kidnaps her from a state dinner. Ophelia is thrust into a new world filled with people who claim to be an ancient race of Mages. They also claim that she is one of them. While the country falls into the hands of a tyrannical dictator, Ophelia finds herself torn between the friendly Reece who wants nothing more than to protect her, and Spencer, the leader of the resistance who sees her as a tool to fight the war. Tensions run high as Reece and Spencer both try to help her master her powers and unravel the spells that restricted her from using them. As revelations of her past come to light, and the war is brought to her feet, Ophelia must quickly make a choice of who to trust.

Binds is the first in a series of adult urban fantasy novels with sexy Mages, a sugar skull army, and an unfortunate set of Hello Kitty pjs.

Rebecca Espinoza, an Army wife, has lived in 8 different houses and 5 different states in the past 10 years and she cant wait for the next move. She is skilled in the arts of basket weaving, origami, and bullshitting. She is a book thief and likely to pilfer any she sees lying around in friends houses, so keep an eye out if you invite her in. She currently resides in beautiful Wahiawa, Hawaii (Army wives will get this joke) with her two sons and dog, Tosh.0 (her most favorite person in the worldthe dog, not the comedian), and her husband pops in from the field, missions, or deployment every now and then to say hello. She tends towards the sarcastic when referring to herself in third person. Rebecca is a Turtle, are you?
