She introduces real life characters into a story that live seemingly opposing lives and blends them into a harmonious narrative that is full of eroticism, love and adventure. The military

man and the hippie and it works! What this shows us is that when we approach another human being with our heart, rather than our fixed opinions, beauty can be created in a form beyond our wildest expectations. When we overcome our fears and take a leap of faith, life can grow in its richness and awesomeness. And that is the beauty of it all. Tirza's works are not merely hot adult material, but have an underlying story with real lives, feelings and emotions to it that are as arousing as they are heart-touching. And on a deeper level, we can all identify with it, which makes them so personal and moving. Truly a not only entertaining, but also thought provoking and heart-touching read. Her works are not for the superficial! Her words tickle all of your senses and emotions! Onto the next! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Just get it!!
