Von Erin McCarthy : Bit the Jackpot (Vegas Vampires, Book 2) (Vegas Vampires Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bit the Jackpot (Vegas Vampires, Book 2) (Vegas Vampires Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. gerne

mehr :) Von Beate Endlich mal ein Vampirbuch, das lustig ist - klar, es ist auch voller Spannung knisternder Erotik. Aber es nimmt sich nicht so tragisch ernst - ich hoffe, es gibt noch weitere Vortsetzungen!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. I liked it Von Bella This is the story of Seamus and Cara. We know Seamus from the first book. Seamus is forced to turn Cara into a Vampire. She is very not happy about this, and that he's got an old-fashioned thinking about women doesn't help. It's a nice read, but her playing housewife is very over the top and got on my nerves. You will enjoy it and like it if you want to read all the books about Evan and his family and friends.

Kurzbeschreibung The national bestselling author of High Stakes returns to Sin City, where you can get bitten by the gambling bug or by the sexiest vampire you've ever seen. Campaign manager and vampire Seamus Fox has had his fill of women, since he's been keeping tabs on his presidential candidate's wife and female entourage. But suddenly he finds himself obsessed by a mysterious stripper who dances behind a screen. The sultry yet shy Cara Kim whets his appetite for more. But leave it to Seamus to fall fangs over feet for that rarest of Vegas attractions... a good girl. After a sudden run-in on the street, though, they may soon have a lot more in common... From Publishers Weekly The sparks fly between Cara Kim, "the oddest attraction in all of Vegas: the virgin stripper," and Seamus Fox, a 371-year-old uptight Irish vampire who hasn't had sex in 200 years, in McCarthy's droll follow-up to High Stakes. Seamus, who's the campaign manager for Ethan Carrick, the president of Vampire Nation, must turn Cara into a vampire in order to save her life after she becomes collateral damage in a nasty pre-election skirmish connected to Roberto Donatelli, who's running against Carrick. Donatelli is so eager to unseat conservative Carrick, he'll stop at nothing, even if it means driving a stake into someone or drugging an associate. Though Cara initially finds Seamus controlling and his blood too arousing, she soon finds herself and her five pets, including a devilish Chihuahua, doing more than just a shadow dance in this cute paranormal treat.
