Von Brooklyn Ann : Bite Me, Your Grace (Scandals with Bite) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bite Me, Your Grace (Scandals with Bite):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bite

meVon Kindle JunkieA well-written and engaging story of a duke/vampire Ian Ashton and an aspiring authoress Angelica Winthrop, granddaughter of an earl, in Regency London. Angelica yearns to be free rather than marry and does almost everything her mother tells her not to do, hoping to repel all suitors. A couple of crises on the side - a vampire hunter and Angela's relationship to her grandfather - fill out the story beyond a simple romance.0 von 0 Kunden fanden die folgende Rezension hilfreich. Bite Me, Your Grace....hmmmVon Mic....well it was a nice story. A little flat around the details and the emotional part, but still nice to read. A quick and easy read, too.What I did not like so much was the heroine, because she is really naive and just doesn't seem to fit to a centuries old vampire and for certain to immature for a vampire lord.It is quiet annoying sometimes how stupid her reactions are, but all in all the story is ok and mostly Ian is saving the hole story ;)Like I said, an easy read...0 von 1 Kunden fanden die folgende Rezension hilfreich. Good readVon VielleserEnjoyed very much, was a good book to read, once start reading didnt put down, enjoy these kinds of books.

Kurzbeschreibung"Readers who crave both a classic Regency and a shadowy paranormal will sink their teeth into Ann's tale, with its engaging characters and light touches."RT Book sFirst in a witty, sexy paranormal Regency romance series, England's "vampire craze" is causing much vexation for the Lord Vampire of London, Ian Ashton. To save his reputation, Ian enlists aspiring authoress Angelica Winthrop, who has hidden plans of her own.Dr. John Polidori's tale "The Vampyre" burst upon the Regency scene along with Mary Shelley's Frankenstein after that notorious weekend spent writing ghost stories with Lord Byron. A vampire craze broke out instantly in the haut ton.Now Ian Ashton, the Lord Vampire of London, has to attend tedious balls, linger in front of mirrors, and eat lots of garlic in an attempt to quell the gossip. If that weren't annoying enough, his neighbor, Angelica Winthrop, has literary aspirations of her own and is sneaking into his house at night just to see what she can find. Hungry, tired, and fed up, Ian is in no mood to humor his beautiful intruder...Scandals with Bite series:Bite Me, Your Grace (Book 1) One Bite Per Night (Book 2) Bite at First Sight (Book 3)Praise for Brooklyn Ann: "Breezy and entertaining." Publishers Weekly "Unique...a delightful way to spend an afternoon." Long and Short sPressestimmen"BITE ME, YOUR GRACE was a good comfort read. It was familiar, but just different enough where it didn't feel tired. It was well written and wasn't jumpy or contrived. I'm looking forward to Ann's next book" - All Things Urban Fantasy"Terrific, a wonderful blend of historical, romance and paranormal." - Lily Pond Reads"it Me, Your Grace is a fun, cute, quick read." - Paranormal Haven"This is Brooklyn Ann's debut novel as well as the first in her trilogy and I must say I cannot wait to read more from this witty and brilliant author." - Royal s"I loved just about everything about "Bite Me, Your Grace." " - Books like Breathing"Fun, cute. " - Book Girl of Mur-y-Castell"Ann's breezy and entertaining debut features strong prose and interesting characters." - Publishers Weekly"Ann has come up with a charming debut that captures the light and dark of the era. Readers who crave both a classic Regency and a shadowy paranormal will sink their teeth into Ann's tale, with its engaging characters and light touches, and wonder just what clever tale she'll come up with next." - RT Book s"Terrific, a wonderful blend of historical romance and paranormal... witty, fun and charming." - Lily Pond Reads"I could not put this book down I became so engrossed in the storyline and all of the colorful characters." - RomFan s"If you love to read Historical Romance and Paranormal Romance, this story is the perfect match between the two genres! A must-try!" - Proserpine Craving Books"BITE ME, YOUR GRACE was a good comfort read... It was well-written and wasn't jumpy or contrived. I'm looking forward to Ann's next book." - All Things Urban Fantasy "Bite Me, Your Grace is a fun, cute, quick read. Angelica shines and Ian helps make that possible." - Paranormal Haven"Occasionally you find a book that makes you wish you had been the one that came up with the concept, and, for me, Bite Me, Your Grace was definitely that book... Not only were the main characters absolutely amazing to read, I loved the way Polidori was incorporated into the novel as a secondary character. This is Brooklyn Ann's debut novel as well as the first in her trilogy and I must say I cannot wait to read more from this witty and brilliant author." - Royal s"I loved just about everything about Bite Me, Your Grace... The way Polidori and his novel were written into Bite Me, Your Grace was absolutely brilliant. And Polidori got a much better ending here than he got in real life." - Books like Breathing"Fun, cute.
