Von Clare Willis : Biting The Bride before purchasing it in order to gage whether or not it would be worth my time, and all praised Biting The Bride:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sunni's geheimnisvolle HerkunftVon MerleGut geschriebenes, kurzweiliges Buch um Vampire in San Francisco.Die 32-jhrige

Sunni Marquette betreibt mit Unterstützung ihres reichen Stiefvaters eine gut gehende Kunstgalerie. Mit 14 Jahren wurde das verwaiste Mädchen wegen Depressionen in einer psychiatrischen Klinik behandelt, wo sie sich mit der gleichaltrigen Isabel La Forge anfreundete. Die La Forge's nahmen sie anschliessend zu sich auf. Seit Jahren wird Sunni von einem unbekanntem, attraktiven Mann, Jacob Eddington, beschützt, sie versucht, ihn kennen zu lernen. Erst als sie von Richard Lazarus bedroht wird, gibt er sich zu erkennen. Jacob und Richard sind alte Vampire, wobei Richard Sunni für eigene Zwecke zu missbrauchen versucht. Sunni ist ein äußerst seltener Dhampir, ein Menschen-Vampir-Mischling, verpönt unter den Vampiren. Der Plot ist interessant und ausbaufähig, leider ist der Schluss, wie im Vorgängerbuch, so idyllisch, dass sich eine direkte Fortsetzung erbringt. Es sei denn, wir würden bei Vampirkindererziehung informiert. Wieso auch nicht.

Kurzbeschreibung Some men are worth sticking your neck out for. . . Sunni Marquette has always been a little different. There's the whole mind-reading thing, for a start, which comes in useful for a criminal defense attorney. Except that lately, Sunni keeps encountering people who are immune to her gift. Like Jacob Eddington, the star witness in her latest case. And her best friend Isabel's new fiancé, Richard Lazarus, who's as sinister as Jacob is attractive. Not that Sunni intends to interfere--until she learns that Richard is a vampire who's made a centuries-long career of marrying wealthy women, then killing them for their inheritance. Sunni is convinced Jacob is a vampire, too, and that he's her only chance of saving Isabel. With his help, she'll discover powers she never knew she possessed, an enemy who's closer than she could have ever guessed, and the kind of love that's worth staking everything on--if she can just stay alive long enough to enjoy it. . . Praise for Clare Willis and Once Bitten "This sexy, fast-paced paranormal has it all! You'll want to keep reading more." --Richelle Mead, New York Times bestselling author "Clare Willis offers a clever twist on the world of vampires." --Alexandra Ivy, New York Times bestselling author
