viel zu früh berquert hatten und daran beinahe gestorben sind, konnte Ihre Cousine Emma sie gerade noch rechtzeitig retten, besonders dank der Hilfe von Gunnar und Autumn, die sich beide in Jasper verliebt haben. Kann Jasper die Gefühle der beiden erwidern, trotz der bevorstehenden Trennung von beiden und seiner schlechten Erfahrungen am College? 20 von 0 Kunden fanden die folgende Rezension hilfreich. Gut Von Kindle-Kunde Schne Geschichte, die ich gerne gelesen habe. Der zweite Teil ist meiner Meinung nach besser als der erste. Er ist runder, der Leser stolpert nicht so in die Geschichte hinein.

Kurzbeschreibung Fate and Desire make strange bedfellows Jasper Stonetree used to think he knew what he wanted, but meeting the beautiful pair of ursa who just saved his life changes everything. Autumn Sundance and Gunnar Windchaser have him twisted so tight he can't think straight. He's actually considering falling for them, which is completely out of his character. Romantic entanglements only lead to pain, after all. He knows that better than anyone. Except Autumn, whose pain is so palpable Jasper can almost taste it. She alone understands the danger in loving too fiercely, and she has paid the price a devastating tax that has come back to haunt her. To save her, Jasper must accept the truth of what he is. He is an ursa male, and one of two chosen to be the future mate of a high-ranking female. And that female is in trouble. On the chase to find the missing piece of his incomplete soul, Jasper is forced to make a choice. Leave behind his true family his blood or take a step there will be no retreat from to rescue the woman he loves, and forge a new family outside the ursa Sanctuary. The Black Mountain Bears trilogy includes three books to be read in order: Book 1: Clawed Book 2: Bitten Book 3: Nailed Kurzbeschreibung Fate and Desire make strange bedfellows Jasper Stonetree used to think he knew what he wanted, but meeting the beautiful pair of ursa who just saved his life changes everything.
