Von Julia BuschEllis, a young woman in her early twenties, tries to move on after a three-year relationship with Katie, her first lover, ends with Katie cheating. But Ellis is still passionately attracted to Katie and their fierce animal magnetism continues with Katie initiating new encounters despite Ellis, who tries, but who has yet to find a meaningful relationship to counter Kathy's pull. Written in a journalistic style, the short, graphic account of young love seeking becomes more up close and personal as circumstances heat up.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful piece of lesbian literature Von John ButcherI enjoyed so much Bitten Endings. Ellis is wonderful. I love this kind of lesbian literature and I'd like to read more. Since this is a very short story, I hope that T.E. Robbens will keep writing lesbian tales very quickly and I'm going to read all of them.I feel that stories like this are the beginning of something different. Authors understand now that they should not hide themselves and their gay and lesbian feelings.Well done T.E. Robben. I'm hooked!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Lesbian Novel Von DaveWhat a story. Definitely for adults, but it's so nice to read an experience, whether it be lesbian, straight or whatever, where there's a real story, which just happens to include sex. This story is much better than one of those erotic novels that consists of nothing but sex with a few individual words taken randomly from the dictionary added to flesh it out. This one is a real story, not non-stop porno that masquerades as a story.
