Von Sara Paretsky : Bitter Medicine (V.I. Warshawski Novels) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bitter Medicine (V.I. Warshawski Novels):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eines meiner LieblingshrbcherVon KundenrezensionenZum Inhalt wurde bereits genug gesagt, darum hier nur meine Meinung:Spannend, komplex und flssig erzht, mit einer Heldin voller Ecken und Kanten.1 von 4 Kunden fanden die folgende Rezension hilfreich. A ReissueVon NancyI read this book back in 1988 when it was first published. Having forgotten this, I purchased this newly reissued edition. I really wish publishers would make it clear right up front (on

the cover) that these books have been previously published. This is a good story, but not worth reading a second time.0
von 2 Kunden fanden die folgende Rezension hilfreich. Fast paced actionVon Ein KundeA complicated story that
keeps the reader rivetted, and of course, a surprise ending.

KurzbeschreibungPrivate eye V.I. Warshawski knows her friend Consuelo's pregnancy is already risky-she's sixteen
and diabetic. Despite V.I.'s efforts to provide Consuelo with proper care, both mother and daughter die in the local
hospital. Suspecting malpractice, V.I. begins an investigation- and a reluctant romance with an ER doctor. But deadly
complications arise when a series of vicious murders and an attack on a women's clinic lead her to suspect a cold-
blooded cover-up. And if V.I. isn't careful, she just might have delivered her final case...From Publishers WeeklySince
her debut in Paretsky's Indemnity Only, Chicago private eye V. (Victoria) I. Warshawski has been attracting both
enthusiastic readers and critical acclaim. This fourth story narrated by the spiky detective is the series' most
suspenseful so far. V. I. brings a teenager about to give premature birth to a private hospital where the mother and her
baby die. Since the poor girl's own obstetrician is unavailable, Warshawski's friend, Dr. Tregiere, arrives from his
inner-city hospital to check procedures; he's found murdered later. So is the supposedly bereaved husband, member of
a street gang that attacks Warshawski during her tenacious investigation of the related cases. There are other appalling
deaths as tough V. I. gets to the facts behind a tawdry coverup. The cast of the earlier mysteries again adds flavor here,
and the big city's ethnic mix, as enlivened by Paretsky, does too. Copyright 1987 Reed Business Information,
Inc.Pressestimmen'How enjoyable to settle down with a new book by Sara Paretsky.' Sunday Telegraph 'With the
creation of V.I. Warshawski, Sara Paretsky did more than anyone to change the face of contemporary women's fiction.'
Express on Sunday 'Warshawski's darkest outing, with no sign that her creator is flagging. Paretsky has written a novel
in which a great deal is stripped bare, including Warshawski's innermost anxieties about herself, producing a narrative
as gripping as it is emotionally wrenching.' JOAN SMITH, Sunday Times
