Von Charles G. West : Bitterroot before purchasing it in order to gage whether or not it would be worth my time, and all praised Bitterroot:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Solid entry in the newer Western styleVon Benjamin ThomasThis book is a sequel but, I believe, firmly stands on its own

merits. But for those who are expecting it to be a second Little Wolf novel, don't. Little Wolf finally makes his appearance with only 50 pages to go. But no matter, his brother is very capable of providing enough adventure for readers of Westerns. In fact our protagonist goes from one situation to another, almost like one short story to another, which is tied up neatly at the end, bringing the whole novel together. The only reason I didn't give this one 5 stars is because some of the characters were quite cliched and there really was nothing new here. This was my first Charles West novel and I may well read more.

Kurzbeschreibung Charles G. West's Wild River introduced readers to Little Wolf, the white man raised as Cheyenne. Now, the thrilling saga continues as Little Wolf teams up with a fugitive U.S. soldier to escape an army of former comrades and bounty hunters... "This is the West as it really was...savage, heroic, and unforgettable." Ralph Compton
