Von Martin Walker : Black Diamond: Bruno, Chief of Police 3 (Bruno Chief of Police) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Diamond: Bruno, Chief of Police 3 (Bruno Chief of Police) (English Edition):

lovely Von Eva N. I read each of the three books - and started now the fourth. Knowing the region I love to find places I have seen. The writer is an Englishman - a French or a German would have written differently. But Mr. Walker obviously knows the people, the region and the life down in Dordogne. There are two things which make all those books typical English: French war history, even if it gets hard to keep people alive from that time of the Great War or the Algerian War, even Indochina, has always some connection to the story. And - well - the hero has to be a military man. But ok - why not.

Von firefly Wie schon die vorherigen Bände der Serie ist auch Black Diamond stimmungsvoll französisch. Die Menschen des fiktiven Ortes St. Denis sind wunderbar charakterisiert, Bruno so liebenswert (und sexy) wie immer, aber der Plot ist etwas zu überladen und dadurch auch besonders gegen Ende nicht mehr überzeugend.

Von Rolf R. I liked the book which I just was reading in September 2016. Like always, a nice description of the people living around Bruno. However, it was really not necessary to bring in pedophiles on the very last pages. It didn't change or add anything to the story and therefore it was really of no need.

Kurzbeschreibung At the heart of French gastronomy lies the famed black truffle of the Prigord. But France's truffles are being adulterated with cheaper ones from China, and it seems that Chinese organised crime is behind the fraud. The third internationally bestselling case for Bruno, Chief of Police. In St Denis market, a Vietnamese family has been selling their dishes for years, until their stall is wrecked by attackers who look Chinese. Again it appears that organised crime is behind the outrage, firing the opening shots of a Viet-Chinese triad war. When vicious murder, illegal immigration and the importation of underage girls for prostitution are added to the mix, Bruno has his work cut out to keep St Denis from tearing itself apart.

Pressestimmen 'So likeable is Courreges and so convincing his milieu, that I was desperate for more Bruno as soon as Black Diamond's brisk and brutal conclusion came... C'est formidable' Independent on Sunday. (Independent on Sunday) 'There are truffles to gather and market days to attend, as well as a sumptuous funeral banquet for a murdered truffle master that surpasses any meal cooked up thus far in a series that always makes your mouth water' International Herald Tribune. (International Herald Tribune)
