**Von John Conroe : Black Frost (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Frost (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. very good first bookVon jwAnother good story with an unpredictable storyline and ending, I would kike to read more!Both his novels and Worlds are connected, a lot of fun to read it!BUt as the other series from Conroe is going on, I Hope both main chars will meet in some time!

KurzbeschreibungWhat would you do to protect a loved one? Would you kill? Widower Ian Moore will do almost

anything to protect his daughter from a threat that comes straight out of our darkest fairytales.If he has his way he'll prove that Ashley was the absolutely worst target they could have picked.In fact, you might want to take notes, 'cause your family may be next.KurzbeschreibungWhat would you do to protect a loved one?
