KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Gar nicht schlechtVon ClaudiaAlso erstmal mu man sagen, dass die Hlle wirklich super pat. Fr 11 Euro kann man da wirklich nicht meckern. Ich finde auch den Geruch nicht wirklich schlimm. Es riecht halt etwas nach Kunststoff, aber das verfliegt bestimmt nach ein paar Tagen. Ist ja auch nicht so das es extrem ist. Ich bin mit der Hlle zufrieden.3 von 4 Kunden fanden die folgende Rezension hilfreich. Leider am falschen Ende gespartVon CBJEin groer Vorteil dieses Produktes ist das gnstige Preis-Leistungs-Verhltis. Vor allem wenn man bedenkt, was manche e-Book-Reader-Hllen sonst so kosten.Nur leider habe ich die Hlle wieder retour gesendet:- die Hlle riecht unangenehm stark nach "erdligem" Kunststoff.- fr den Kobo Touch leider nicht so geeignet, weil das Gummiband im rechten oberen Eck, das den Reader haltet, leider genau ber den Ein-/Ausschalter geht.1 von 2 Kunden fanden die folgende Rezension hilfreich. Ist OkayVon MondineFr den Preis okay. Die Hlle stinkt anfangs wirklich bestialisch, aber inzwischen fast

gar nicht mehr. Mein Kindle inklusive Gummihlle passt gut rein und der mit Karton verstrkte Deckel ist auch sinnvoll. Leider ist mir gleich beim ersten Schließen die Gummiummantelung eines Reiverschlusschliessers abgegangen. Ansonsten macht die Hlle einen soliden Eindruck und ich kann nach einem Monat Nutzung keine Mngel erkennen.

Kurzbeschreibung "This NeoSkin cover is specifically designed for the latest generation Kindle. It will NOT fit the Kindle Touch or Kindle Keyboard. It will fit the Kobo Touch and Kobo Glo. NeoSkins are fitted precisely to the dimensions of your device in order to provide maximum security. On initial use, you may find it helpful to stretch the corners of the case over the corners of your device. Once your device is in the case, completely zip around it. Over time the cover will expand slightly, but remain snug enough to afford full protection. Finally! Affordable, stylish protection for your e-reader. Offering appealing designs and practical features, NeoSkin Neoprene Covers are the perfect choice for your reader. Here's why: NeoSkins offer terrific value. Most e-reader covers cost \$30, \$40, or more, yet higher prices rarely equate with added functionality. NeoSkin covers offer security and style for a fraction of the price of other covers at just \$14.95! Read comfortably and securely. NeoSkin opens like a book. Front cover folds back for easier reading. Four-point mounting system holds device securely while you read. (For maximum protection, insert your device in the elastic tabs with screen facing reinforced front cover.) Do you carry your e-reader in your briefcase, backpack, or tote? Your NeoSkin cover will help protect it from spills and damage. Neoprene case absorbs shock while our reinforced shield helps protect your screen! Moisture-repellent material resists spills, rain, and snow. Four interior elastic tabs help keep your device secure in cover. Soft fleece lining won't scratch your screen or device. Perfect for travel and the daily commute. Keep your e-reader safe and secure every day! Cool designs you'll love. No more boring e-reader covers! Express your personality with one of our popular patterns. Our distinctive designs make it easier to spot your device in your bag or backpack. Water-resistant. Moisture-repellent Neoprene is your first line of defense against rain, snow, or spills! Dual easy-grip zippers. Each cover comes with two oversized easy-grip zipper pulls, giving you fast access to your reader. Easy in, easy out. Dual zippers allow you to charge your device or listen to music while it remains secure in your cover. Checkpoint-friendly. Leave your e-reader in its case while going through TSA or other security check-ins. Lightweight. You've got enough to carry. We kept our covers super light to lessen your load. NeoSkins are washable! Your cover will stay looking fresh. Just wash it in cold water on the gentle cycle and air dry. Interior dimensions: 4-1/2" wide x 6-1/2" high."
