Von Greig Beck : Black Mountain: Alex Hunter 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Mountain: Alex Hunter 4:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The best since Beneath the Dark IceVon AndyHI've read the Alex Hunter series from the beginning, and this is my favorite book since the first one. The plot is exciting, the characters well developed and the storyline isn't predictable at all. While the previous book of the series (This Green Hell) went off "the deep end" a little bit, this book was great for the same reasons Beneath the Dark Ice was great.Very very good read, I can only recommend it! However, I do recommend reading the entire series, not just this (or any other of the books) as a stand alone.0 von 0 Kunden fanden die folgende Rezension hilfreich. Lust auf MehrVon Peter WernerEin neuer australischer Autor bereichert die Thrillerszene mit einem Roman, der im Intergenre zu Hause ist. Horror, SF, Agententhiller, alles ist vorhanden. Und

er pr-sentiert alles auf sehr spannende Weise. Merkwürdig ist, dass die Australier alle amerikanischen Romane schreiben (wie auch Reilly). Aber auch Beck recherchiert gut und kann alle Register ziehen. Seine Sprache ist bilderreich und wohlgesetzt. Eine gute Entdeckung!

Kurzbeschreibung Alex Hunter, code named Arcadian, wakes up with no knowledge of who he is, in the care of a woman he doesn't recognise, in a country not his own. But there is a calling deep within him, to return home to Black Mountain. Formed a billion years ago, the Appalachian's Black Mountain hosts a terrible legend. Only one elder remains to guard its long-forgotten, deadly secret and there is a fear that there is evil lurking again. Some hikers have gone missing, and the rescue team sent to search for them has not returned. Meanwhile, in nearby Ashville, Professor Matt Kearns is drawn into the mystery of an ancient artefact recovered from the mountainside, and an image too grotesque to be real. A survivor is then found half-alive, covered in blood - blood revealed to be not quite human. Alex must confront an age-old enemy of man and discover the truth about his past, and confront the horror that stalks the frozen mountain, and also the one haunting his very soul.

ber den Autor und weitere Mitwirkende Greig Beck grew up across the road from Bondi Beach in Sydney, Australia. His early days were spent surfing, sunbaking and reading science fiction on the sand. He then went on to study computer science, immerse himself in the financial software industry and later received an MBA. Greig is the director of a software company but still finds time to write and surf. He lives in Vaucluse, Sydney with his wife, son and an enormous black German shepherd. He is the author of "Beneath the Dark Ice" and "Dark Rising".
