Von Pekka Hiltunen : Black Noise (Studio Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Noise (Studio Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. GroartigVon Heidemarie PuntschuhSchon das erste Buch nahm mich total gefangen. Es ist einfach eine ganz ander Art von Krimi wie ich sie bisher gar nicht kannte. Auch dieses Buch machte mir groe Freude und die Neugierde blieb stets wach. Auch die Infos was alles machbar ist ber das Netz ist groartig beschrieben (erschreckend wie "glsern" wir

sind).

KurzbeschreibungThe second instalment in Pekka Hiltunen's award-winning Studio series is an intelligent crime thriller pitting unlikely heroines against London's dark crime underworld. This sequel to the prize-winning Cold Courage, published by Hesperus in 2013, presents the second instalment in the Studio series by Pekka Hiltunen, celebrated Finnish crime author. Ultra-violent videos of murder and torture are being uploaded to the internet and when bodies start showing up on the streets of London, it begins to seem that the videos may be real and that a gruesome, exhibitionist killer is on the loose. The news catches the attention of Mari and Lia. Mari and Lia are two Finnish women living in London. Despite bonding over their shared expat identity, they have rather different backgrounds. While Lia is a graphic designer, Mari runs the mysterious 'Studio', a private crime fighting organisation that considers itself above the law. Taking matters into their own hands, they take on cases where the police have failed or are indifferent. Lia in time has slowly found her place in amongst this mysterious, morally motivated group of people who are not above employing underhand tactics to make sure that justice is served. Backed by high-tech gadgets and their team of fiercely loyal experts, the two women set about trying to stem the recent surge of violence and track down the murderer. But the stakes are high and Mari will have to risk much, even the lives of her companions, if she is to bring the perpetrator to justice.

Pressestimmen'Hiltunen has been compared to Stieg Larsson, and not without reason... This is how thrillers should be' Helsingin Sanomat
