BaderAfter his nonfictional account KBL, Dalton Fury gets down to business in the "fictional" work and delivers his first novel starring Kolt Raynor.One helluva rollercoaster. Taking a look back on the discussions about CIA secret facilities in Europe, the scenes and the story of this book might be in fact more than real. Plus with his kind of experience he writes as this would have been one of some real ops going down.Can't wait for the follow up. Get this and get Brad Taylors books as well, lock yourself up in a hole of your choosing and dig in.0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Buch!Von gelaSpannender Thriller! KurzbeschreibungFrom former Delta Force commander and New York Times bestselling author of Kill Bin Laden comes the first novel in an explosive new series.After September 11, 2001, Delta Force troop commander Dalton Fury was given the secret mission to hunt down and kill the most wanted man in the world, the details of which were recounted in his extraordinary New York Times bestseller Kill Bin Laden. Now, Fury draws upon his hard-won combat experience-and his gift for true-to-life storytelling-to offer a brand-new series of thrillers that are as close to reality as readers can get.Meet Kolt Raynor. A Delta Force operator and one-time American hero, he is still trying to make sense of his life-and duty-after a secret mission gone bad. Three years ago, in the mountains of Pakistan, Raynor made a split-second decision to disobey orders-one that got some of his teammates killed and the rest captured. Now he's been given a second chance to do right by his country, his men, and himself. But Raynor's shot at redemption comes at a price.A shadowy group of former colleagues has asked Raynor to return, alone, to Pakistan's badlands. His assignment seems clear: find his missing men and bring them home. What Raynor never expected was to uncover a sinister al Qaeda plot to capture a Black Site--a secret U.S. prison--and destabilize the region. Meanwhile, a ruthless, unknown enemy is on his trail...and he will stop at nothing to make sure that Raynor's mission is not accomplished.An intense, gritty work of edge-of-your-seat suspense, Black Site is the first of what promises to be one of the most exciting fiction series of the new millennium.PressestimmenBlack Site is an amazing thriller from a new allstar in the genre.
