Von Jane Graves : **Black Ties and Lullabies (Playboys Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Ties and Lullabies (Playboys Book 3) (English

Edition):

Kurzbeschreibung A good girl can be bad for one night...Bernadette Hogan doesn't make mistakes. Not when it comes to caring for her mother, and not at her job protecting Texas's most eligible--and infuriating--bachelor. Maybe that's why she's overcome with guilt after one tiny indiscretion: a passionate fling with her boss that's left her confused, intrigued...and pregnant. But can a bad boy be good for a lifetime? To self-made millionaire Jeremy Bridges, women are like fine wine: if held for too long, they sour. But one wild night with Bernadette changed all that. She makes him laugh, she makes him think, and soon she's going to make him a father. For the first time, Jeremy wants to be a one-woman man. So how can he convince the fiercely independent Bernadette he's ready to change from partying playboy to dependable dad--and become the loving husband she deserves?
