Von A. Igoni Barrett : Blackass before purchasing it in order to gage whether or not it would be worth my time, and all praised Blackass:

ProduktbeschreibungWhite skin, green eyes, red hair...Furo Wariboko born and bred in Lagos wakes up on the

morning of his job interview to discover he has turned into a white man. As he hits the city streets running, still reeling from his new-found condition, Furo finds the dead ends of his life open out before him. As a white man in Nigeria, the world is seemingly his oyster except for one thing: despite his radical transformation, Furo's ass remains robustly black . . . Funny, fierce, inventive and daringly provocative this is a very modern satire, with a sting in the tail.
