Gut fr zwischendurchVon CustomerIch habe die Vorgeschichte zu dieser Novelle nicht gelesen, da aber die Autorin gesagt hat, dass man es auch eigenstndig lesen kann. Kann man auch wirklich, jedoch fehlen einem etwas Informationen, um

wirklich in der Geschichte drinnen zu sein. Mason und Hope sind sympathisch und man kann wirklich gut mit ihnen mitfühlen. Ihre Liebesgeschichte ist wirklich schön und auch sehr tiefsinnig. Jedoch weiß man einfach zu wenig von ihnen, um richtig mitfühlen zu können. Insgesamt war dieses Buch ganz gut für zwischendurch, jedoch konnte es mich nicht dazu bewegen, die Vorgeschichte "Sometimes Never" zu kaufen, um die Geschichte besser verstehen zu können. Dafür wurde mein Interesse leider nicht genug geweckt. Ich bin mir aber sicher, dass die Leute, die "Sometimes Never" gelesen und geliebt haben, "Blackbird" mit Sicherheit genießen werden. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Blackbird Von Customer I stumbled upon "Sometimes never" in the kindle store, and bought it mostly, because it was so cheap, but it took not more than the first two pages, to get me sucked into the story, it was the same with the Blackbird story. It's shorter, and has a sadder tone than "Sometimes never" but I still love it a lot! 0 von 0 Kunden fanden die folgende Rezension hilfreich. a short story Von Juna already the sometimes never novella really moved me because of the circumstances hope lives in and it is really great to read how hope and mason are doing later on but in my opinion it is a little short and to focus on a happy ending

Kurzbeschreibung "Sometimes never is a distorted perception. I love you, Hope. And I'm not the only one. I know you care about me. I see it in your eyes. I feel it. Everybody needs love. Everybody. And some people need it more than others. You're a liar if you say you don't. I'll do that for you. I'll love you. All you have to do is let me." Sometimes Never What happened in the years between the final chapter and epilogue of Sometimes Never? Blackbird is an 18,000+ word novella that continues Mason and Hope's story as they finish high school, start separate colleges, and confront their demons. Though Blackbird can be read on its own, it is better enjoyed after reading Sometimes Never. Recommended for 17+ due to harsh language and some sexual situations.
