Von Timothy Zahn : Blackcollar: The Judas Solution (The Blackcollar Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blackcollar: The Judas Solution (The Blackcollar Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Lauwarmer Abschluss einer netten Haudrauf-SerieVon AngstroemEs sollte verboten werden, dass Abschlssse zu einer Serie mit gut 20 Jahren Verzug geschrieben werden, aber vermutlich hat Timothy Zahn mehr Geld verdient mit dem Schreiben irgendwelcher Star-Wars-Nachfolgerromane.Wirkten die ersten beiden Bnde ("Die Blackcollar-Elite", "Die Backlash-Mission") noch wie aus einem Guss und mit ihrem 80er-typischen Haudrauf-Charme trotz aller Plotholes mitreierend (Warum nochmal sind Shuriken und Nunchakus in einer Welt von Laserwaffen erfolgreicher? Und erzhl mir

doch keiner, dass das Rezept für solch eine wertvolle Droge wie Backlash einfach verschütt geht ... Egal, auch plumpes Hollywood-Kino macht manchmal Spaß.), so wirkt der dritte Band etwas blutleer und bemüht. Dafür ist die Story nun abgeschlossen. Schade nur, dass das einen so schalen Beigeschmack hat.

Kurzbeschreibung LEGENDARY WARRIOR THE ONLY HOPE OF A CONQUERED EARTH Damon Lathe and his blackcollar combat team face their most serious challenge. On one of the conquered human colony worlds is a Ryqril tactical center through which flows an entire sector's worth of military data. If the blackcollars can find a way inside, it could tip the balance in the current Ryqril-Chryseli war. It could even start humanity on the path back to ultimate freedom. But the Ryqril aren't sitting idly by. Under threat of reprisals against his world, Prefect Jamus Galway of Plinry is already on the case. His plan: to turn the blackcollars and their combat skill into unknowing tools of the Ryqril. His hidden ace: a clone duplicate of Lathe's ally Allan Caine, ready to be slipped into Lathe's inner circle. It will be the blackcollars' most important mission. It may also be their last. At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for the science fiction of Timothy Zahn: "Zahn keeps the story moving at a breakneck pace, maintaining excitement." Publishers Weekly "... finely wrought space adventure [with] social, political and emotional complications, all of which Zahn treats with his usual skill." Booklist Timothy Zahn is a winner of the coveted Hugo Award for his novella, Cascade Point and is author of the New York Times best-selling Star Wars novel, Heir to the Empire. Born in Chicago, he earned a B.S. in physics from Michigan State University and an M.S. in physics from the University of Illinois. Selling his first story to Analog in 1978, he quickly attracted attention as a new writer of hard science fiction, based on real, cutting-edge science. In addition to his novels for Baen set in the Cobra universe, he has also written such popular series as the Blackcollar, Conqueror, and Dragonback novels. Zahn has written over twenty novels, including the recent works Angelmass and Manta's Gift. He and his family currently live in Oregon.

Synopsis Blackcollars - superhuman resistance fighters dosed with the legendary, lost drug backlash. Only a dying generation stands between humanity and hopeless enslavement by an alien empire. But now the blackcollars' daring is matched by a cunning human enemy - mind-slave to the Ryq - who is determined to sow betrayal in their midst and finally bring peace to humankind - the peace of utter subjugation. Can the blackcollar-led partisan forces of humanity strike the spark that ignites an uprising against our alien oppressors? The stakes have never been higher. It's to be either victory - or free humanity's galactic curtain call!
