**Von Kelly McCullough : Blade Reforged (A Fallen Blade Novel)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blade Reforged (A Fallen Blade Novel):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Fallen Blade, Book Four. Stellar!Von Detra FitchSeven years has passed since Aral's goddess was silenced. Aral no longer

turns to the bottle for comfort. He is not fully back to his old Blade self, but close enough for now. After his previous adventures, Aral's face no longer resembles anything close to what it once was. He is still getting used to the new face in the mirror. When Aral learns that one of the few people willing to help him during his former dark days has been imprisoned by King Thauvik, he knows that he must do something to aid his friend. Baroness Maylien Dan Marchon is the unacknowledged heir to the throne of Zhan. She is niece to the king. When Maylien brings proof of her legitimacy to the court, King Thauvik's reaction is swift and bloody. Only Aral's reflexes keep Maylien from becoming one of several corpses. The king declares Maylien an outcast. Civil war looms in the near future as Maylien, with Aral's help, begins forming her allies. But King Thauvik has more surprises up his sleeve than previously; he has two former Blades of his own. One of whom is legendary. \*\*\*\*\* FIVE STARS! Once again Aral and his Shade, Triss, find themselves in the middle of a royal mess - literally. Yet this time it is assassin versus assassin versus assassin. That alone promises readers some high quality entertainment. But Kelly McCullough adds several twists, backbends, and hand springs that only a mind as devious (or demented) as his could possibly conceive. Then the author explains Aral's shaky strategies in such a way that I, as the reader, forgets that they are wild, dangerous, and suicidal. Instead, I end up believing that they are just short of brilliant. (All eight steps.) Is this the last book in the series? That remains to be seen. The author can end it here or continue it on for another book or two. Personally, I want more! \*\*\*\*\* Reviewed by Detra Fitch of Huntress Reviews. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Weiterer gute Teil der "Fallen Blade" Reihe Von Dr. Guido Rling Wie die vorherigen Bnde auch ist dieser Band unterhaltsam, spannend und teils humorvoll. Mal sehen, wie viele weitere Bnde es noch geben wird... denn die "Gesamtstory" ist sicher noch nicht erschpft! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Boring Blade Von DIMI It is difficult to say something good about this book. It is short, the main character is uninteresting and the bad guy(s) is/are boring. There no new idea in this book. Deleted forgotten.

Kurzbeschreibung Enter the "fascinating world" (Fresh Fiction) of the Fallen Blade in this thrilling fantasy novel from Kelly McCullough. After the fall of the goddess of justice, temple assassin Aral Kingslayer lost his purpose in life and turned to the bottle. That might have been the end of him if luck hadn't given him a few people to help him get back on his feet - notably the irresistible Baroness Maylien Dan Marchon, who once sought his aid in claiming the throne that's rightfully hers. Reluctant to resume the role of an assassin, he turned her down. But now Aral has learned that one of the few people willing to help him in his darkest days has been imprisoned by Maylien's uncle, King Thauvik. Aral knows he can't let an old friend die, but the alternative is to return to the life he left years ago. It was the death of Thauvik's half brother that earned Aral the name Kingslayer, and now he is thrust into a war that will see no end until he lives up to his name.   
 Pressestimmen Praise for the Fallen Blade Novels Aral the Jack, formerly the noble Aral Kingslayer, is the best kind of hero: damaged, cynical, and despondent, yet needing only the right cause to rise from his own ashes. Alex Bledsoe, author of The Girls with Games of Blood Filled with multifaceted characters, layered plots, and the type of quixotic scenarios that only the imagination of Kelly McCullough could possibly create. The author, once again, crosses genres.   
 Stories by Kelly McCullough are one of a kind - just like him. I found Aral's world to be compelling and highly addictive. Brilliant!   
 Huntress Book s The world McCullough sets up was certainly the highlight of the book for me. I enjoy fantasy-world politics and dark humor, both of which are in abundance here.
