Von Fiona Brand : Blade's Lady (Mills Boon Vintage Intrigue) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blade's Lady (Mills Boon Vintage Intrigue):

definitely a keeper. The characters are strong and interesting, and the suspenseful plot keeps the action moving. Anna Tarrant dreamed of a gallant knight for years, never imagining he was real. Blade Lombard heard her desperate cries in his dreams for years, never quite believing they were real. The coming together of these two characters was exciting and realistic. There is a brief appearance by Blade's brother Gray and his wife Samantha, (from Heart of Midnight) and Cullen and Rachel (from Cullen's Bride). If you like Linda Howard's novels, you will LOVE Fiona Brand! I can't think of enough wonderful things to say about her writing!

Kurzbeschreibung ONLY IN HER DREAMS Her gallant knight was a fantasy or so Anna Tarrant believed. For years, he had sustained the hunted heiress whenever her nightmarish reality became too much to bear. Now, about to emerge from hiding to claim her fortune, Anna encountered her hero once again this time, in the flesh. Though her cries for help invaded his sleep, Blade Lombard was never convinced Anna existed until she stood before him: beguilingly beautiful, chillingly imperiled. Driven by a connection he didn't understand, consumed by a need only she could fill, Blade was determined to protect his woman at any cost.
