**Von Harriet Rutland : Bleeding Hooks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bleeding Hooks:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nur fr fischermen's friends.Von sigrunTDies ist das zweite von insgesamt drei Bchern der Verfasserin, das ich gekauft habe, weil mir das erste "Knock,Murderer,Knock" so auerordentlich gut gefallen hatte. Dieses Buch hat leider meine Erwartungen nicht ganz erflft.Zwar gibt es auch hier skurrile Typen und einen geschlossenen Personenkreis, aber der

Humor ist grber und die Personen bleiben recht plakativ. Bei dem Personenkreis handelt es sich um die Gste und Angestellten eines Hotels an einem See in Wales, der als Anglerparadies gilt und die Gste sind daher alle Angler. Das war am Anfang noch ganz nett und ich habe in krzester Zeit mehr ber das Angeln, insbesondere das Fliegenfischen, erfahren, als in meinem restlichen Leben zusammen. Aber nach der Hlfte des Buches war dieses Thema fr mich ausgereizt und das Weiterlesen wurde mhsam.

Kurzbeschreibung They grabbed their fishing bags, and made a dive for their rods which were standing, ready for use, outside the front door. 'Well, tight lines!' they called over their shoulders. 'Bleeding hooks!' grinned the Major. Gladys Ruby Mumsby was more interested in fishermen than fish. When her corpse is discovered near a Welsh sporting lodge that is hosting a group of fly fishing enthusiasts, it seems one of them has taken an interest in her too - of the murderous kind. For impaled in the palm of her hand is a salmon fishing fly, so deep that the barb is completely covered. Her face is blue. It is thought at first she died of natural causes, but the detective Mr. Winkley, of Scotland Yard, almost immediately suspects otherwise. And what happened to the would-be magicians monkey that disappeared so soon after Mrs. Mumsbys death? Bleeding Hooks was the second of Harriet Rutlands sparkling mystery novels to feature the detective Mr Winkley. First published in 1940, this new edition features an introduction by crime fiction historian Curtis Evans. Once again a top-ranking yarn, in a story where the author introduces murder into a fishing paradise in Wales. Lots of rod and line marginalia add to incisive characterization and well hidden crime for a superior story. Kirkus s' Murder method interesting, characters well drawn and likeable, sleuth unobtrusively slick and finish dramatic.' Saturday Kurzbeschreibung They grabbed their fishing bags, and made a dive for their rods which were standing, ready for use, outside the front door. Lots of rod and line marginalia add to incisive characterization and well hidden crime for a superior story. Kirkus s' Murder method interesting, characters well drawn and likeable, sleuth unobtrusively slick and finish dramatic.' Saturday ber den Autor und weitere Mitwirkende Harriet Rutland was the pen-name of Olive Shimwell. She was born Olive Seers in 1901, the daughter of a prosperous Birmingham builder and decorator. Little is known of the authors early life but in 1926 she married microbiologist John Shimwell, with whom she moved to a small village near Cork in Ireland. This setting, transplanted to Devon, inspired her first mystery novel Knock, Murderer, Knock! which was published in 1938. The second of Harriet Rutlands mysteries, Bleeding Hooks, came out in 1940, and the third and last, Blue Murder, was published in November 1942. All three novels are remarkable for their black comedy, innovative plots, and pin-sharp portraits of human behaviour, especially concerning relationships between men and women. Olive and John were divorced in the early forties, and Olive apparently did not publish anything further. She died in Newton Abbot in 1962.
