Von Anne Holt : Blessed Are Those Who Thirst: 2 (Hanne Wilhelmsen Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blessed Are Those Who Thirst: 2 (Hanne Wilhelmsen Series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Anne Holt - the Best Norwegian Crime-Writer,... Von Miki101.Micha ... here just at the beginning of her career. It is the second book she wrote after The Blind Goddess (Hanne Wilhelmsen 1).Before the readers continue to reclaim the "outdated" DNA procedures of the Oslo Police, please be aware that this book is the second in the Hanne-Wilhelmsen

Series and the crimes take place in the year 1993!The book first came out in Norway in 1994, so it is not surprising that the police has to work with the old methods.So 20 years have passed.....since the Oslo Police Department is finding in the hottest spring within living memory every early Sunday morning in solitary, enclosed places obvious crime scenes splattered with immense quantities of blood, but never a victim. Some numbers are scratched onto a wall - that's all.The a young woman is raped in her apartment. Detective Hanne Wilhelmsen is charged with solving the case. Soon the victim's father starts an investigation of his own for the culprit with some real success. But his daughter cries for revenge...Still at the beginning of the series, Hanne Wilhelmson is still a bit rough in her contours, but she will soon take a better shape in the following thrillers of the series.I have read them all, years ago in German language and I can only recommend them!0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite goodVon Alexandra MeyerPleasant surprise as I got it for a special price. Good character descriptions. Some ideas maybe far-fetched but still a decent crime novel and a good read. Would buy another in this series.0 von 0 Kunden fanden die folgende Rezension hilfreich. UnputdownableVon Constant BookwormHorrifying, exciting, fast-moving, a fantastic read. A good translation, readable and clear. The plot twists and turns and comes to a satisfying end. I had to stay up late to finish it.

KurzbeschreibungIn the second instalment of the Hanne Wilhelmsen series, the detective hunts down a serial rapist - but can she find him before a father devastated by an attack on his daughter takes the law into his own hands?'Anne Holt is the Godmother of modern Norwegian crime fiction' Jo NesboThe Oslo police are baffled. Crime scenes are being found covered with blood, but there is no victim. Only an odd series of numbers is left behind. When a girl is brutally raped in her apartment. Detective Hanne Wilhelmsen is charged with solving the case. Hanne quickly notices strange similarities with the blood-stained crime scenes. But the victim's father has started an independent hunt for the rapist...and Hanne will have to race against time to prevent a victim becoming a vigilante.PressestimmenAnne Holt is the Godmother of modern Norwegian crime fiction. -- Jo Nesbo Lively, unusual and persuasive. Holt writes with the command we have come to expect from the top Scandinavian writers. * The Times * Anne Holt is a thriller writer of the highest order. -- Liza Marklund Step aside, Stieg Larsson, Holt is the queen of Scandinavian crime thrillers. * Red Magazine *KurzbeschreibungIn the second instalment of the Hanne Wilhelmsen series, the detective hunts down a serial rapist - but can she find him before a father devastated by an attack on his daughter takes the law into his own hands?'Anne Holt is the Godmother of modern Norwegian crime fiction' Jo NesboThe Oslo police are baffled.
