Von Lynn Galli : Blessed Twice (Special Edition) (Virginia Clan Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blessed Twice (Special Edition) (Virginia Clan Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Eine sensible, behrende GeschichteVon Claudia ReichertViele Jahre waren Briony und Megan zusammen und haben alles

geteilt: ein Haus, den gemeinsamen Sohn, den Beruf...kurzum, das ganze Leben. Die glückliche Beziehung endet jh, als Megan beim Klettern abstürzt und dabei tödlich verunglückt. Briony nimmt ihren früheren Job als Lehrerin an einem College wieder auf und zieht mit ihrem Sohn in einen anderen Staat. Sie lebt sich dort recht gut ein und hat, da sie sympathisch und kontaktfreudig ist, bald schon wieder einen netten Freundeskreis aufgebaut. Unerlich (fast immer) gute Dinge, sieht es in ihrem Herzen auch drei Jahre nach Megans Tod noch ziemlich duster aus: sie vermisst Megan sehr. Den Dates, die ihre Freundinnen für sie arrangieren, kann sie wenig abgewinnen. Irgendwann lernt sie ihre Kollegin M näher kennen, eine scheue, sehr distanzierte Person. Aus der anfänglichen zarten Freundschaft wird für Briony Liebe. Als sie ihre Gefühle nicht mehr für sich behalten kann, offenbart sie sich M - und wird erst einmal mit den Worten "I am not normal" abgewiesen. Denn M hat eine tragische Kindheit, aus der ihr merkwürdiges Sozialverhalten resultiert. Doch Gefühle lassen sich bekanntlich nicht abschalten...Die Hauptpersonen, M und Briony, waren zuerst sympathisch und ansprechend dargestellt. Auch die Nebencharaktere im Buch sind gut gelungen. Die Autorin versteht sich meisterhaft darauf, gewisse Charaktereigenschaften - z.B. Ms freundliches, hilfsbereites Wesen - in die Geschichte einzubinden. Mit jeder Seite mehr dringt tiefer in die Seelen der Hauptpersonen ein, versteht sie immer besser und hat zugleich den Wunsch, sie NOCH näher kennen zu lernen. Das ist für mich der besondere Zauber dieses Buches, das ich inzwischen 4 mal (!) gelesen habe. Was M in ihrer Kindheit passiert ist, ist eigentlich schon nach den ersten Szenen klar, dies tut der Faszination beim Lesen aber keinen Abbruch. Das einzige, was mich nicht gaaaanz so anspricht, sind die Sex-Szenen am Schluss...erstens klingen sie wie fast schon wie naturwissenschaftlich anmutende Schilderungen, zweitens wirkt es auf mich etwas zu "easy" und perfekt, angesichts Ms Vergangenheit...etwas mehr Komplexität hätte diesem Kapitel gut getan. 1 von 1 Kunden fanden die folgende Rezension hilfreich. unusual and totally amazing romance Von Philologus The Lonely Hearts Club Winds of Fortune number 4 in the Virginia / Seattle-adventures just blowed my mind with the very intriguing character of M - widowed Briony (with her delightful son!) and M are thrown together to put up a new course at University. Both are shy and a tentative friendship is forming ... and it wouldn't be a romance if there was not more to follow, but girls this is just so well done and unusual that I can't spoil it for you ... if you liked the other books of Lynn Galli this will be it. Just have at it ... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Eines meiner absoluten Lieblingsbücher Von Elsa Ich will nicht zu viel verraten, aber dieses Buch ist ein Highlight der lesbischen Liebesroman-Literatur. Lynn Galli ist wirklich eine Meisterin dieses Fachs. Ihr Humor ist ganz und gar wunderbar. Selbst noch wenn es um schwierige Lebensumstände geht.

Kurzbeschreibung The problem with starting over in another state after losing your partner is that your new friends don't understand why you can't just get over it. They never saw how you were together, how much you loved her, how she was your life. They only see a number: three, as in, the number of years since she died. That's all the evidence they need to begin pressuring you to get back out there again. It doesn't matter that you've told them to back off. No, they feel it is their duty to butt into your life and ambush you with blind dates. This wasn't a predicament Briony Gatewood anticipated when she relocated for tenure at a prestigious university. Yet after a year with her new friends, they've ceased being merely concerned and moved on to obnoxious. As if being fixed up wasn't bad enough, the dean at her college just volunteered her to teach a potentially career-damaging class. Along for the experimental course is the socially-challenged M Desiderius, a fellow professor who won't ever win a faculty popularity contest. But as they start working together, Briony begins to understand Ms aloofness and is intrigued by the shy, brilliant, passionate woman. Enough so that she's starting to believe her friends when they say it's time to move on. And M, as complicated as her past has been and reticent as she seems now, may be the perfect person to help Briony finally heal and love again.
