Hier geht es um Jake und Delilah. Beide lernen sich ber Presley kennen, die die beste Freundin von Delilah von klein auf ist. Sie knnen sich nicht riechen - Jake kann es nicht lassen, den Macho zu spielen und treibt sie damit zur Weiglut. Delilah kommt aus den Sdstaaten und treibt ihn wiederum zur Weiglut. Doch sie beide schaffen es mit der Zeit, eine

Freundschaft zu gründen, und über die Jahre lernen sie sich immer besser kennen. Der Schreibstil ist wie immer fesselnd, und ich habe das Buch in drei Tagen ausgelesen. Wie gesagt, gefiel mir dieser Teil am besten bisher, denn obwohl auch hier Schlimmes passiert, ist es doch ein wenig lockerer geschrieben, was sicherlich auch an den amüsanten Wortgefechten zwischen Jake und Delilah liegt, bei denen ich immer wieder mal schmunzeln musste. Jake hat zwar eine harte Schale, die erst geknackt werden muss, aber vor allem Jakes Gedanken gegenüber den anderen und seine Ergebenheit gegenüber seiner Nichte, und auch seine schonungslose Ehrlichkeit sich selbst gegenüber machen ihn für mich sehr liebenswert. Auch die anderen Brüder kommen hier immer wieder zur Geltung, und die Geschichte entwickelt vor allem gegen Schluss eine Dynamik, die mich wirklich neugierig auf Band 4 macht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. NA-Romance mit HEAV von Kindle-Kunde Blind Love war das erste Buch, das ich in dieser Reihe gelesen habe und es ist definitiv ein Standalone. Ich hatte nicht das Gefühl, irgendwas verpasst zu haben und bin leicht in die Story reingekommen. Zum Inhalt: Einfach nur WOW! Ich konnte mein Kindle nicht aus der Hand legen und war komplett in der Welt von Sulfur Heights versunken. Ein wunderschönes Buch über Freundschaft, Familie, Liebe, Verlust und die Hoffnung auf Neuanfang. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book! Von Anja S. Blind Love is the third book in this series and it's the story of Jake and Delilah. Jake and Delilah are an unlikely match who become best friends through a mutual friend. Their relationship is strange and intense, because they are from totally different worlds.

Kurzbeschreibung She is magnetic to me. Every emotion she feels pulls me that much closer to her charm and energy. For reasons unbeknownst to me, I want her to know what she means to me. ~Jake Evans For Jake Evans, life was as it should be. No responsibilities. He was the master at embracing his reckless lifestyle whenever it presented itself. Surviving on his ability to expertly hustle, fight and womanize, Jake could do it all; lived it all. Raised in a rundown city, filled with crime and drugs, he had survived the death of an abusive mother and a life with an absent father while only having his brothers to depend on. His lifestyle became fast and Jake had lived it the only way he knew how, until the day he met Delilah. Delilah St. James was the epitome of flawless. Brought up in an affluent southern household, Delilah's life had been planned from the moment she was born. She was raised to be the perfect socialite and daughter, and groomed to be the ideal wife. When a school internship moved her to Sulfur Heights for the summer, Delilah collided with the bitter reality of life outside her comfortable gated community when Jake Evans upset her perfect world. Over the next two years, Jake and Delilah became best friends, embracing a friendship neither one was prepared to have, although they soon found it to be a relationship that neither one of them were willing to sacrifice. A tragic turn of events brings Jake and Delilah together once again. Only this time, the feelings are different. Lines within their friendship are blurred. Everything they vowed never to do, becomes the very thing they cannot deny. Will Jake and Delilah's relationship withstand the changes surrounding them? Or will the emotions sever the two year friendship they fought so hard to keep? Kurzbeschreibung She is magnetic to me. Every emotion she feels pulls me that much closer to her charm and energy.
