guess they really fit together...

Kurzbeschreibung Mark Gattison has avoided love and commitment his entire adult life. Not interested in more than a one night stand or a brief encounter in a bathroom stall, he is the epitome of a good time. Will Parkinson is the guy who defends him, the guy who puts up with him, the guy Mark calls his best friend. When Will becomes unsettled and a little distant, Mark takes it upon himself to find Will a boyfriend. Not familiar with the concept himself, Mark thinks Will needs someone to make him happy. What Mark doesn't know, is that he's about to get blindsided. He's about to get knocked off his feet by the one thing that's been right in front of him the entire time.

ber den Autor und weitere Mitwirkende N.R. Walker is an Australian author, who loves her genre of gay romance. She loves writing and spends far too much time doing it, but wouldn't have it any other way. She is many things; a mother, a wife, a sister, a writer. She has pretty, pretty boys who live in her head, who don't let her sleep at night unless she gives them life with words. She likes it when they do dirty, dirty things...but likes it even more when they fall in love. She used to think having people in her head talking to her was weird, until one day she happened across other writers who told her it was normal. She's been writing ever since...
