Atmosphäre und im bekannten Stil. Leider wird die gesamte Geschichte manchmal zu unübersichtlich und irgendwie fehlt der "grote" rote Faden...0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gutVon DerKaiserVieles was der Leser schon immer bei der Crimson Guard etc. Wissen wollte. Angenehm geschrieben und ohne verwirrende Einlassungen wie bei Eriksson. Macht Laune auf den nächsten Band.1 von 2 Kunden fanden die folgende Rezension hilfreich. another Malazan hitVon Peter BRJust as with all the other Malazan books this one brings the characters to life, whether written by Ian C. Esslemont or Steven Erikson they both write a captivating engrossing book I loved the characters, and the story had enough twists, turns and villains to please just about everyone.

KurzbeschreibungIn the western sky the bright emerald banner of the Visitor descends like a portent of annihilation. On the continent of Jacuruku, the Thaumaturgs have mounted another expedition in a bid to tame the neighbouring wild jungle. Yet this is no normal wilderness. It is called Himatan, and it is said to be half of the spirit-realm and half of the earth. And it is said to be ruled by a powerful entity who some name the Queen of Witches and some a goddess: the ancient Ardata. Saeng grew up knowing only the rule of the magus Thaumaturgs but it was the voices from that lands forgotten past that she listened to. And when her rulers launch their invasion of this jungle, those voices send her and her brother on a desperate mission.To the south, the desert tribes are united by the arrival of a foreign warleader, a veteran commander in battered ashen mail men call the Grey Ghost. This warrior leads these tribes on a raid unlike any other, deep into the heart of Thaumaturg lands.While word comes to Kazz, and mercenary company the Crimson Guard, of a contract in Jacuruku. And their employer? Could it be the goddess herself...PressestimmenPraise for Other Titles by this Author"Return of the Crimson Guard" "Everything you expect of a Malazan story, being both epic and relevant... nail-biting and anything but obvious."" --SFFWorld""Stonewielder" "A terrific read... impossible to put down and highly recommended for all fans."" --FantasyHotlist"WerbetextThe fifth epic fantasy novel from the co-creator - with Steven Erikson - of this brilliantly imagined world of the Malazan Empire...
