A charming cooperative venture from two talented writers!Von Sharon Galligar ChanceBlood BrothersTwo cousins - one a proper English lord, the other, a Montana cowboy. Blood brothers, sworn to defend and protect one another from all comers. Will that sacred vow hold strong as the cousins trade places and find the loves of their lives?A delightfully unusual two-part romance is created when two romance authors, one English - Lucy Gordon, and one American - Anne McAllister, team up to write "Blood Brothers." And what a winning combination this is!In part one, cowboy Gabe McBride journeys to England to visit his grandfather, the Earl of Stanton, and his favorite cousin, Randall. When badgering his grandfather to give poor ol' Randall a rest from his corporate publishing chores, Gabe finds himself

trapped into a bet - that he couldn't do half as good a job as his business-minded cousin when it comes to reviving a defunct village newspaper. Never one to back away from a challenge, Gabe takes up the bet, determined to prove he is more than just a cowboy. However, Gabe didn't plan on one pretty English lass in the form of Frederica Crossman lassoing his heart. Gabe was in for the ride of his life! Meanwhile, back at the ranch - Lord Randall Stanton agreed to cover Gabe's chores back on his Montana ranch. Faced with proving himself to a group of seasoned cowboys, Randall also finds himself trying to prove his worth to Claire, his pretty adopted cousin. A pest as a kid, Claire has blossomed into a beautiful woman, enticing Randall's every desire. Only one problem; Claire was in love with his look-alike cousin Gabe. Could the English Lord sway the little cowgirl's heart in his direction?"Blood Brothers" is a charming venture into cooperative writing from two very talented writers. I'd love to see more of this type of storylines from Gordon and McAllister. Who knows? International relations just might improve in the name of romance!0 von 0 Kunden fanden die folgende Rezension hilfreich. Two novels for the price of one! Von Ein Kunde We never know what decisions may change our lives forever. In BLOOD BROTHERS cousins Gabe McBride and Randall Stranton decide on a whim to switch roles and countries. They find out surprising things about themselves and what they truly want out of life. And more intriguing for a romance reader like myself, what they are willing to sacrifice for love. Anne McAllister and Lucy Gordon created an irresistible read that kept me up long past my bedtime.

Kurzbeschreibung DOUBLE TROUBLE That was what you got when cousins Gabe McBride, a Montana cowboy, and Randall Stanton, a British lord, traded places! What Gabe and Randall got was the challenge of their lives! Anything Randall could do, Gabe could do better-but tackling centuries of tradition proved tougher than he thought. Almost as tough as convincing a beautiful widowed mother, Frederica Crossman, that he was a risk worth taking. Meanwhile, back at the ranch, Randall knew anything Gabe could do, he could do, too. He was resourceful, competent, clever. He could handle everything-except gorgeous, feisty Claire Stevens. When Randall and Gabe took on a challenge, they never quit. But to win Claire and Freddie, they'd need all their lordly pluck and cowboy try!
