Phenomenal Von Niek Ten Seldam It's some time since I read a Book from Eileen Wilks. I don't remember the other Books of the Lupi series (I have them all) being this good. I'm not going into the Story. If you liked the Lupi series you'll love this Book.

Kurzbeschreibung View our feature on Eileen Wilks's Blood Challenge. Ex-cop Lily Yu and werewolf Rule Turner's engagement announcement is stirring up ugly passions in the Humans First camp. There's hate mail, followed by death threats. And when a lupus in Tennessee goes on a killing spree, Lily realizes that it's only the opening skirmish in an all-out war.
