Von Tanya Huff : Blood Debt (Blood Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blood Debt (Blood Series):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. A nice vampire series from a great authorVon Ein KundeAnother exciting tale of Victory Nelson and Henry Fitzroy comes to

an end, tying up most loose ends and leaving a bit of mystery open in the future of these charismatic characters. It is a great vampire series in the tradition of Vivian Vande Velde's *Companions of the Night* and Tanith Lee's short story *Bite-Me-Not*--the same issues of romance and relations between mortals and the undead, interestingly resolved here by allowing Victory Nelson's character join Fitzroy as a vampire and thus tying the two together for eternity (with much celebration from readers everywhere). If you like this series but haven't read much else by the author, I suggest that you do--you'll find the same unusual romances and quirky humor in her other books. If you prefer the fantasy scene, try *Fifth Quarter* and *No Quarter*--they are shining examples of Huff's amazing style.

Von hwmDies ist der 5 und letzte Teil der BLOOD Bcher und er geht eindeutig zu den strkeren. Vor allem liegt es daran, dass Huff die Vampire in einem bedrohlicheren Licht zeigt. Die Autorin hatte Henry zwar immer als "Prince of Men" und "Prince of Darkness" bezeichnet, konnte seine dunkle Natur aber nie eindringlich genug schildern. Henry war immer der Schmusebr unter den Vampiren. Vicky ist eine ganz andere Geschichte. Schon als Mensch war sie tough und kompromisslos, als Vampirin ist sie echt beeindruckend. Zwischen ihr und Henry fliegen so richtig die Fetzen. In einer beruhenden Nebenhandlung trennt sich Tony von seinem Mentor und Liebhaber. Er wusste schon immer, dass Henry ihn nie so lieben wrde wie Vicky (da er ihn nicht als ebenbrtig ansieht, sondern als "Besitz") und deswegen versucht Tony auf eigenen Beinen zu stehen. Wer brigens mehr von Tony und seinen Eskapaden lesen mchte sollte sich die SMOKE Bcher zulegen (SMOKE AND SHADOWS, S. MIRRORS, S. ASHES). Sie hneln im Stil den BLOOD Bchern, sind aber lnger und spielen im Fernsehproduktionsmilieu. Tony ist die Hauptfigur, Henry wird zur Nebenfigur degradiert und Vicky und Celluci werden gelegentlich erwht. Bevor man sich BLOOD DEBT zulegt, sollte man sich berlegen, ob man nicht vielleicht BLOOD DEBT BLOOD BANK (BLOOD BOOKS) kaufen mchte. Dieser Sammelband enthlt neben BLOOD DEBT alle 8 Kurzgeschichten, die Huff ber Henry und Vicky geschrieben hat. Der preisliche Unterschied ist minimal.

Von Ein KundeHuman Detective Sergeant Mike Celluci of the Toronto Police Department is elated that Henry Fitzroy is out of his vampiric lover's life. Henry was forced to turn Vicki into a creature of the night in order to save her life. In doing this he gave up all claim to her because (as everyone knows) it is a basic law of vampiric physiology that two vampires can never live in the same territory. However, all that changes when Henry awakens to see a spirit haunt him. Unless he discovers who killed the spirit and avenge the creature's death, everyone around Henry could face mortal danger.Henry knows that he lacks the skills needed to track down a killer. He turns to Vicki, who still operates as a private detective, for help. Vicki agrees to take on the case. As the trio work together to hunt down a murderer, an unusual occurrence happens. The more time that Vicki and Henry spend together, the less incidents of territorial ownership occurs (the lesser known corollary to Vampiric Physiology I). This enables them to forge a new relationship that excludes Celluci without undermining his relationship with the vampire that he loves.In this final installment of Tanya Huff's vampire series, the author brilliantly sews up all the loose ends from the previous four novels. The greatness of Ms. Huff shines through as she facilitates the feeling that all three lead characters will live happily ever after. BLOOD DEBT is part romance, part mystery, and totally entertaining as it expands the boundaries and raises the standard of the supernatural romance. The entire series is a must read for fans of otherworldly romance.Harriet Klausner -

KurzbeschreibungThe Blood Books are now available in "Blood Ties" TV tie-in editions. View our TV tie-in feature page here here. A ghost has invaded his home, beginning a dangerous nightly game in which Henry is allowed to ask a single question. If the answer is no, an innocent and unsuspecting person is killed. Henry soon comes to the horrifying realization that this wraith and the others who join it is using him to wreak vengeance on the people it holds responsible for its death. Henry can't find the source of these murders on his own, so he calls on the one person he trusts to help--private investigator Vicki Nelson, with the small hope that they can stop these otherworldly forces, without losing their lives. Also includes a brand-new short story featuring Vicki and Henry!
