Von Lindsay J. Pryor : Blood Deep (Blackthorn Dark Paranormal Romance Series Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blood Deep (Blackthorn Dark Paranormal Romance Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Superb series!Von AmyWhat an amazing series this is and I'm looking forward to the final showdown between the humans,

3rd n 4th species n anything n everything in between! Lindsay has done a stellar job in creating a fantastical world, weaving the different species n their personal stories seamlessly into one where I'm left rooting for everyone except the humans. I love Jessie n Eden's story the most, perhaps because this is the first time where the heroine is more powerful than the hero. In fact all her protagonists in each book r well thought out - each one playing an important role towards the fulfilment of the prophecy; i really love the conspiracy, mystery, politics n power struggles in this series!

Kurzbeschreibung"Bad can feel good, Jessie. Bad can feel as good as it can get."The tattoos covering Eden Reeces arm tell the tale of a con with an appetite for danger. Even so, arriving at The Circus the criminal heart of Blackthorn and demanding an audience with the notorious Pummel, is the sign of a death wish.Jessie knows that Eden is trouble. Serious trouble. Held captive by Pummel, despite her powers, she also knows how dangerous a game Eden is playing. Yet she cant ignore a connection far deeper than the physical spark between them because Jessie has seen Eden before...Jessie is the only one who can help Eden save those he loves. But as he uncovers her secrets one by one, he cant ignore the emotions she stirs in him feelings neither of them dare face. He risks death. If she trusts him, she risks a fate far worse. As Pummels twisted plans become clear, theres no doubt all hell risks breaking out in Blackthorn. With time running out, together Jessie and Eden might be the only ones who can stop it. In a thrillingly sensual novel, the stakes in the dark world of Blackthorn just got higher.What readers are saying about Blackthornoh so brilliant Ms Pryor has done it again with this blistering series. 5/5 The Romance CoverWhat a great addition to the series! Blood Deep is gritty, captivating, and richly illustrated, with an exciting plot and fascinating characters. This is the fourth instalment, but it can be read as a standalone, and is a must read for paranormal romance fans. 5/5 Moonrise Book BlogBlood Deep was... How can I say it? It was brilliant like its predecessors 5/5 Gaga Over BooksI am officially addicted to this series. Why, you ask? Because Lindsay Pryor is my kind of fearless author. She isnt afraid to go there, to create characters and situations that challenge me as a reader. The Demon Librarian Not only are Pryors characters and fathomlessly dark love stories fabulous, but her continual world building of Blackthorn blows me away.
