Von Charlotte Raine : BLOOD FAMILY: A Paranormal Shifter Romance Book (Titanium Blood Series 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised BLOOD FAMILY: A Paranormal Shifter Romance Book (Titanium Blood Series 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Promising start of a paranormal series with a different take on vampires, humans and shiftersVon Karen O.Blood Family introduces the readers first to Judas - biker, father, vampire. His assassination leads to major tension among his offspring; his son Liam takes over, trying to find his father's killer. Taking turns, the main characters tell us their take on the past, present and future. It is a fast paced read with a pleasant flow.With Blood Family, Charlotte Raine has created the intriguing first part of the Titanium Blood Series. Blood Family is a well-balanced paranormal romance read with interesting characters; some of them are likeable, some mysterious. The author slowly reveals more, making me want to immediately proceed with the second instalment. I was drawn into the story, relatively close to Liam and his sister Sage. It is refreshing that it is not vampire vs. human. Blood Family is a good read for paranormal romance fans, who prefer shorter series reads with a thrill.This is a very pleasant read, the promising start of a series with a different take on the human/vampire topic.

KurzbeschreibungA New Vampire Shapeshifter Series From Bestselling Author Charlotte RaineLiam Westfield, builds motorcycles while keeping his vampire instincts in check, has spent most of his life trying to avoid involvement with his fathers biker gang.When his father is killed, Liam is forced to take his fathers place as the leader of the Blood Lust Brothers and begins his search to identify his father's killer.Now as his brother, August, conspires to take over the gang, and his fathers killer seems more dangerous than predicted, Liam has to find a way to stay one step ahead of both his unnaturally old family and his new, unknown enemy.KurzbeschreibungA New Vampire Shapeshifter Series From Bestselling Author Charlotte RaineLiam Westfield, builds motorcycles while keeping his vampire instincts in check, has spent most of his life trying to avoid involvement with his fathers biker gang.When his father is killed, Liam is forced to take his fathers place as the leader of the Blood Lust Brothers and begins his search to identify his father's killer.Now as his brother, August, conspires to take over the gang, and his fathers killer seems more dangerous than predicted, Liam has to find a way to stay one step ahead of both his unnaturally old family and his new, unknown enemy.
