Mystik und ein mieses EndeVon Arno GndischUm es kurz zu machen: Wenn Mystik anfngt, a la Indiana Jones zu funktionieren, kann es nur schiefgehen. Dabei hatte ich nach dem zweiten Band einiges erhofft, wurde aber enttuscht.

Zwar raucht und qualmt es auch hier gewaltig, in bester Spielberg-Manier, aber das Resultat ist drftig. Nochmal kurz der Inhalt: nach einem vielversprechenden Ausflug in die interessante Zeit des Alchemisten John Dee wird ein Tornado von diabolischen Aktivitten weltweit entfesselt. Die "Sanguines" (ein Orden von christlichen Vampiren) stellen sich dem entgegen-und hier beginnen die Probleme. Wenn eine Handlung nur gerettet werden kann, indem man einen "angelischen" Charakter wieder und wieder sterben lt, um ihn genauso oft zu retten, wenn schlielich der Gefallene selber erscheint, aber eine zehmal blossere Figur abgibt als sein bereifriger Diener Legion-und alles schlielich in USA-Everyday-Romantik mndet-dann ist hier etwas grundstzlich falsch gelaufen.Die beiden Autoren htten weniger von Stephen King und Dean Koontz lernen sollen als vielmehr von H.P. Lovecraft und Clark Ashton Smith, die verstanden noch etwas von echtem Horror..Fr mich ist diese Serie gelaufen, da kann folgen, was will...0 von 0 Kunden fanden die folgende Rezension hilfreich. A great reading comes to end?Von DemuliThanks to JR,RC and all their coworkers for the great stories in all the three books of sanguines, angels and strigois. Sad that this book seems to end the trilogy. A happy ending for all the heros and heroines at the end gave a good feeling after all.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungIn a masterpiece of supernatural mystery and apocalyptic prophecy, New York Times bestselling authors James Rollins and Rebecca Cantrell bring to a thunderous conclusion their epic trilogy of novels set between the worlds of shadow and light, between salvation and damnation, where the very gates of Hell must be shattered to discover the true fate of humankind in...Blood InfernalAs an escalating scourge of grisly murders sweeps the globe, archaeologist Erin Granger must decipher the truth behind an immortal prophecy foretold in the Blood Gospel, a tome written by Christ and lost for centuries: The shackles of Lucifer have been loosened, and his Chalice remains lost. It will take the light of all three to forge the Chalice anew and banish him again to his eternal darkness. With the Apocalypse looming, Erin must again join forces with Army Sergeant Jordan Stone and Father Rhun Korza to search for a treasure lost for millennia. But the prize has already fallen into the hands of their enemy, a demon named Legion, before whom even the walls of the Vatican will fall.The search for the key to salvation will take Erin and the others across centuries and around the world, from the dusty shelves of the Vatican's secret archives to lost medieval laboratories, where ancient alchemies were employed to horrific ends. All the while, they are hunted, besieged by creatures of uncanny skill and talent. As clues are dug free from ancient underground chapels and found frozen in icy mountain caverns, Erin will discover that the only hope for victory lies in an impossible act--one that will destroy not only her, but all she loves. To protect the world, Erin must walk through the very gates of Hell and face the darkest of enemies: Lucifer himself.With The Blood Gospel, the first novel in the Order of the Sanguines series, James Rollins and Rebecca Cantrell combined science, myth, and religion to introduce a breathtaking world where miracles hold new meaning and the fight for good over evil is far more complicated than we ever dreamed. And now, in this epic conclusion to the Sanguines trilogy, Blood Infernal, they take us to the very pit of Hell itself, making us peer into the abyss and face our greatest fears, to answer the ultimate question: What price will we pay for true salvation?PressestimmenImaginativean almost endless series of riddles and clues, battles and betrayalsbefore a climactic battle and a surprise ending.
