KurzbeschreibungTo survive they must trust each other. Only can they? Winter, a professional thief who can manipulate others biologies by touch, accidentally healed her former partner and former vampire Sebastian, whom she secretly loves. Her healing created a symbiotic pairing between them that neither of them wants. Nathaniel, a sexy thousand-year-old vampire and Sebastian's ex-lover, talks Sebastian and Winter into stealing evidence that will expose all vampires to the world. But Nathaniel is a puppet-master who doesn't believe in falling in love with humans, leaving Winter unsure of his real feelings for her once he seduces her, or how he feels about Sebastian, the former vampire-now-human whose life he has turned upside down once more. But the evidence they steal is hot property. The future of all vampires is on the line and others will stop at nothing to get it, leaving Sebastian, Winter and Nathaniel with no allies but each other. They must trust each other to survive. Only...can they? Reader Advisory: This paranormal MMF urban fantasy contains two hot, sexy alpha heroes, frequent, explicit and frank sex scenes and sexual language. It includes heart-stopping sexual scenes between the aforementioned sexy heroes, ménage scenes, anal sex and the use of sex toys. Don't proceed beyond this point if hot love scenes offend you. No vampires were harmed in the making of this novel.
