(English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not your everyday serial killer readVon Karen O.Blood Moon re-introduces the readers to the main characters Aaron, Teresa and Sarah. Taking turns, Aaron, Teresa and Sarah tell us about their lives - not only about current events, we also learn a little more about their thoughts and feelings. This book has a pleasant flow; the individual chapters are not too long, the respective header shows you unmistakably the current narrator and the time she or he is telling about.With Blood Moon, Charlotte Raine has created a different approach on telling a detective series. Blood Moon is a well balanced story about a serial killer with believable (and sometimes disturbing) characters - believable because we get some insight into their ways of thinking, getting to know possible virtues and flaws. Some of the characters were giving me the creeps, others made me cheer them on. Charlotte Raine slowly reveals her protagonists' characters; the story has a steady pace - it is just right, keeping the thrill on an equally steady level. I was drawn into the story, a luckily invisible observer. Blood Moon is a good read for thriller fans interested in a light trip into the human psyche, enjoying suspense and a love story on the side.This is a pleasant read.

KurzbeschreibungAaron Grant is feeling hopeless, faithless, and singled out for tragedy. After losing his wife, his daughter, and now his foster son, Aaron tries to find himself again, which reluctantly includes getting help from his old pastor.At the same time, Sarah Latham finds herself joining a cult that believes the end of the world is coming, and their job is to purge all evil from existence. In apocalyptic mayhem, Sarah plays a major part in their plans of murder, while Aaron tries to track down his son's killer, while also figuring out his relationship with Teresa. As the perceived end-time begins to creep closer, the only guarantee is that Satan is more than a personification of evil sometimes he exists inside people, pulling them into the darkness.The Grant Daniels Romantic Suspense SeriesBook 1 - Midnight SunBook 2 - Devil's DawnBook 3 - Blood MoonKurzbeschreibungAaron Grant is feeling hopeless, faithless, and singled out for tragedy.
