Goodkind and Jordan Are One And The Same?Von Corpmjo2017Well, I just finished Blood Of The Fold and I am firmlyconvinced that Terry Goodkind and Robert Jordan are actually the same person. Hey, that's not bad! I love bothSeriously, I feel that Goodkind has borrowed more thanhis fair share from Jordan, but he still tells a great story. The action is nonstop(although I could do with less brutality) and my breathing quickens as I turn each page. As fast as I can.My biggest problem now is waiting for BOTH Goodkindand Jordan to publish their next book! Three cheers for Master Rahl!! After RE-Reading, I think I'll change my review....Von Ein Kundel seeing the constant comparisons to Robert Jordan, I find it rather funny how completely different the authors really ARE, yet are compared so MUCH. Sure, there ARE similarities, but a REAL read of both authors finds that they are purely coincidental, and not meant to 'rip-off' the other. BOTH authors are good in their own way, and the comparisons are as fair as saying that Star Wars ripped off Star Trek simply because the Millennium Falcon jumps to Hyperspace. I 'SEE' the similarity, but I also realize they are COMPLETELY different, and not as similar as some would like to think. After originally reading 'Blood of the Fold' I felt a bit dissappointed when compared to the first two books...but now after re-reading it, I have decided that my original 'review' was a bit harsh. The only book in the series that was truly a let down was the most recent, "Soul Of The Fire". Other than that, the first 4 books are clearly superior to most (if not all) fantasy novels in print today. I AM partial to Goodkind, but that doesn't mean I can't see the obvious talent that Jordan has...but for ME, Goodkind seems to hit home, just like Jordan 'clicks' with others and SOME find them ALL worthless. Reviews are just opinions, and we ALL know how varied they can be, right? You just have to read the books for yourself to make a judgement call. So go ahead and read Jordan AND Goodkind and make up your OWN mind. Either way, if you are a fan of fantasy, you will most likely enjoy EVERY minute. Happy reading!
