The monumental showdown and conclusion of Rylee's quest that had me laughing and cryingVon MinaNote: as is said above, this is the final installment in a series and its conclusion. Therefore it's the worst possible place to start reading. I strongly recommend to read the books in the intended order and start with 'Priceless'.ReviewThis book was all I hoped for and then some. It answered all the questions that arose over the course of the whole [!!!] series. And yet it left room for the continuation of Lark's story in her own 'Elemental' series. In other words: near perfect. I have to admit, after the last book I was a bit concerned, since I didn't love it the way I did all the others. For example that love-triangle I found so incredibly unnecessary and I was wondering if that could be solved in any way I could live with. And let me tell that yes, there was a way and I can totally live with the outcome. Actually with the outcome of the whole book [and with it, the whole series], although I have to warn you that not all of the people around Rylee make it. But you probably knew that, but what totally blew me out of my socks was that there actually was a reason for everything, every death, every acquaintance, just everything. Kudos for S. Mayer showing us that she had a plan all along and things come full circle here, if not in any way one of us readers could have imagined. But Ms. Mayer knew from the start how it all would end. Wow. Just wow.So I don't want to spoil anything, but it wouldn't really be spoiling to tell you that there is the final and last stand, the showdown between Rylee and her gang and demon Orion and his minions. And it is epic and takes a huge portion of the book, but don't fret, it's not just reading about body parts and blood splattering about, it's very much about each [and I mean each] character who is still in the play. And some who aren't. And I was at the same time laughing about Rylee's comments and her sass and crying for people suffering or sacrificing themselves. So yes, the book was emotionally exhausting in the best of ways and it's a worthy and fitting end for this outstanding series and I'm just happy that I can continue to read about Lark, since her adventure and quest aren't done. If you're a fan of Rylee Adamson, you won't be disappointed.0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute ReiheVon -KundeBin etwas unzufrieden mit dem Ende. Htte mir gewnscht, dass Shannon Mayer nicht alle sinnlos sterben lsst. Ausserdem fand ich die "Ich"-Erzhlung von fast jedem der Hauptakteure im Buch etwas zu viel des Guten Das htte nicht sein mssen.0 von 0 Kunden fanden die folgende Rezension hilfreich. ein Buch zum mehrmals lesenVon danieine Wunderwelt und doch so menschlich. die richtige Winter/Weihnachts Lektre. ich werde alle Rylee Bcher mit Sicherheit nochmals lesen, sie haben das Potential wieder gelesen zu werden.

KurzbeschreibungBLOOD OF THE LOST passed my final installment must-have checklist with flying colors; all of this series characters were in attendance (both living deceased), no stone was left unturned with regards to pending questions, and the do-or-die battle was glorious. Heck, I even liked how the love triangle was settled. The plotting was so clean it squeaked! Rabid ReadsFrom HiJinks Ink Publishing and Shannon Mayer comes BLOOD OF THE LOST (BOOK 10), the EPIC conclusion to The USA Today Bestselling RYLEE ADAMSON NOVELS. With over 1.5 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate."My name is Rylee and I am a Tracker." When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot. My final salvage, and this time I must rescue the entire world. Orion has fooled the entire human population with his lies, and they follow him like mindless zombies. They are the lost ones now. I have my allies and my loved ones with me, but while they will fight to their death, it is still not enough. I must seal the Veil closed and send the demons back forever. There is only one thing left for me to do. Face Orion alone. But Orion knows my weakness. And he has stolen her away leaving me with a choice no mother should ever face. If you're a fan of Ilona Andrews, you'll love Rylee Adamson."--New York Times bestselling author Deanna Chase "Mayer's books rank right up there with Kim Harrison's, Patricia Briggs's, and Ilona Andrews's. Get ready for a whole new take on urban fantasy and paranormal romance and be ready to be glued to the pages!"--Just My Opinion Book Blog "Rylee is the perfect combination of loyal, intelligent, compassionate and kick-ass. Many times, the heroines in urban fantasy novels tend to be so tough or snarky that they come off as unlikable. Rylee is a smart-ass for sure, but she isn't insulting. Well, I guess she gets a little sassy with the bad guys, but then it's just hilarious."--Diary of a Bibliophile "I could not put it down. Not only that, but I immediately started the next book in the series, Immune."--Just Talking Books "Priceless was one of those reads that just starts off running and doesn't give too much time to breathe. . . . I'll just go ahead and add the rest of the books to my TBR list now."--Vampire Book Club "This book is so great and it blindsided me. I'm always looking for something to tide me over until the next Ilona Andrews or Patricia

Briggs book comes out, but no matter how many recommendations I get nothing ever measures up. This was as close as I've gotten and I'm so freakin happy!"--Dynamite "Highly recommended for all fans of urban fantasy and paranormal."--Chimera s "I absolutely love these books; they are one of the few Paranormal/urban fantasy series that I still follow religiously. . . . Shannon's writing is wonderful and her characters worm their way into your heart. I cannot recommend these books enough."--Maryse Book "It has the perfect blend of humor, mystery, and a slow-burning forbidden-type romance. Recommended x 1000."--Sarah Morse Adams "These books are, ultimately, fun, exciting, romantic, and satisfying. . . .Trust me on this. You are going to love this series."--Read Love Share Blog "This was a wonderful debut in the Rylee Adamson series, and a creative twist on a genre that's packed full of hard-as-nails heroines. . . . I will definitely stay-tuned to see what Rylee and her new partner get up to."--Red Welly Boots "Priceless did not disappoint with its colourful secondary characters, unique slant on the typical P.I. spiel, and a heroine with boatloads of untapped gifts."--Rabid ReadsPraise for Shannon Mayer and the Rylee Adamson series "Steamy, action-packed, and full of heart.
