Blood Destiny Bd. 3Von Melanie LudesBd. 3 der Blood Destiny ReiheInhaltsangabe:Mack beginnt ihr Training an der Magierakademie in der Hoffnung, dass sie den Stasispruch erlernen kann, um eben jenen Stasispruch von ihrer alten

Freundin Mrs. Alcoon zu nehmen. Nichts desto trotz findet sie sich umgeben von unfreundlichen Erwachsenen und bockicken Kindern umgeben, von denen die Meisten sie scheitern sehen wollen. Sie fñhlt sich von allen Seiten angegriffen und finde es immer schwerer ihr Temperament im Zaum zu halten. Dazu gezwungen Anger Management Treffen zu besuchen und Corrigan's wachsendem Interessen an ihr ausgesetzt beginnen sich ihre Gefñhle zu entfalten. Doch als sie ber einen bekannten Text in der Bibliothek der Magier stolpert, der ihr dabei helfen knnte die Geheimnisse ihrer Herkunft zu entschlsseln, beginnt sie zu realisieren, dass ihre Probleme nur der Anfang sind ...Meine Einschtzung: Hier bin ich also bei Bd. 3 und ich gestehe, dass dieser Teil deutlich schwacher war als seine beiden Vorgnger. Trotzdem war der Schreibstil mit seinen witzig/spritzigen Dialogen und der sexuellen Spannung sehr angenehm zu lesen. Die Handlung pltschert mit wenigen Hhepunkten vor sich hin und man fragt sich, was die Autorin erreichen wollte. Erst auf dem letzten Drittel steigt die Spannung einem Crescendo gleich an, um in einem Paukenschlag, der mich sprachlos machte, zu enden. DAS war phnomenal! Bei den Charakteren fand ich es schade, dass die Autorin Mack ihres Temperamentes (das sie schlussendlich ausmacht) wollte. Mack war verngstigt und unterwrfig und das fr eine Frau, die sie gar nicht bis kaum kannte. Auch finde ich es schade, dass es keine romantische Entwicklung zwischen Corrigan und Mack gibt. Klar, sie flirten (zumindest Corrigan) und es gab einen Kuss, aber mehr auch nicht. Insgesamt ein netter Bd. 3 mit vielen kleinen Schwchen, aber weiter gelesen wird trotzdem! Mein Fazit: 3 Sterne - schwacher Teil, aber ich hab Hoffnung fr BD. 4.0 von 0 Kunden fanden die folgende Rezension hilfreich. Oh this series really is addictive! Von Mina Note: Bloodrage is the third book in the Blood Destiny series and although it could perhaps be read without knowledge of prior events, one would miss a lot and maybe some stuff wouldn't make much sense. So if you're new to the series, I recommend to stop reading here and start with Bloodfire. Review I just read the whole book in half a day like the previous installments, it sucked my right in and I was hooked, couldn't lay it down. The story starts right after the end of the last book: Mack arrives at the mage training facility, she jumped up Hogwarts and starts her life as an initiate. And a hard life it is. The Dean immensely dislikes her, as do those teachers who don't fear her. The same goes for nearly all the co-students. Add to that Mack's rather underwhelming success in most of her subjects.... yes, she feels pretty bad and my heart went out to her. Especially since she continues to be a character who isn't prone to self-pity or anything, but tries to make the best of her situation and remind herself that she does it all for poor Mrs. Alcoon. Who is still in Tir-Na-Nog and in the stasis the Arch-Mage put her in. So, Mack bears it and gives her best. It was a good thing to read that her efforts did get her some success in her lessons and in making some acquaintances with students who actually start to like her, instead of fear her. And just when one thinks, all could be well, s*** hits the fan. Her friend Alex, surfer-dude-mage, is in trouble and needs her help to get out of it. Of course, it being Mack, the stakes are at their highest and nothing turns out as easy as planned. I was pretty appalled at how drastic the consequences turned out for some of the characters. And one of the [still unresolved] outcomes is the vampires [not at all the sparkly kind] becoming aware of Mack. Which in itself is not a good thing, but with her having rare dragon blood, it's even worse. So I'm curious how future encounters will play out. Somehow I'm quite sure the vamps are up to no good. The plot in the school is not as fast paced as the other two book's plots were, probably because of the theme as such: teachers, students and no Lord Voldemort. The danger turns out to be worse than before and it has more dire consequences than most of what happened in the first two books, but until these dangers are experienced, it's only school [and a bit of Lord Alpha communication...]. So this is my small complaint. But the end on the other hand more than makes up for it. It's marvelous - I suspected it could happen [not spoiling what happened of course], but was so awe-struck, when it really did and how. I can't wait to see how the showdown affects Mack's coming steps and even more, what others around her will do now; there are some confrontations I so want to see in some future book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Blood Destiny Serie Von Kris Auch wenn die Bcher in Englisch sind, schreibe ich die Rezension doch lieber auf Deutsch. Mir haben alle drei (bisherigen) Bcher sehr gut gefallen. Es gibt ein paar kleine Macken in der Rechtschreibung, aber das ist bei einem selbstverffentlichten Buch vielleicht nicht so berraschend. An manchen Stellen wundert man sich etwas, warum die Heldin, Mack, genau das macht oder andere sie damit durchkommen lassen. Und mal ehrlich, ein Mensch, der so stark sein soll wie ein Wandler und keiner findet das komisch? Mmmhh.... Alles in allem fand ich die Handlung aber recht plausibel. Was mich ein wenig irritiert hat ist die hnlichkeit des Protagonisten Corrigan zu Illona Andrews Curran. Lord Alpha von den Gestaltwandlern versus Beast Lord der Gestaltwandler. Were Panther zu Were Lwe. Nun ja. Aber - ich freue mich auf Buch 4 und werde es auch kaufen! Ich will ja wissen, wie es weitergeht!

Kurzbeschreibung Mack begins her training at the mages' academy in the hope that, by complying, the stasis spell will be lifted from her old friend, Mrs. Alcoon. However, once there, she finds herself surrounded by unfriendly adults and petulant teenagers, the majority of whom seem determined to see her fail. Feeling attacked on all fronts, Mack finds it harder and harder to keep a rein on her temper. Forced to attend anger management classes and deal with the predatory attentions of Corrigan, the Lord Alpha of the shapeshifter world, her emotions start to unravel. But when she comes across a familiar text within the walls of the mages' library, which might just provide the clues she needs to unlock the

secrets of her background and her dragon blood, she realises that her problems are only just beginning...This is the third book in the popular urban fantasy series, Blood Destiny.
