Kurzbeschreibung Yule is a time to celebrate the rebirth of the light, but for Preternatural Private Investigator and Paranormal Huntress Cassandra Lyall, its about solving yet another series of crimes. When a couple disappears from their quiet neighborhood home, Detective Arthur Kingfisher brings Cassandra in on the case. Faced with a bloody symbol painted on the couples bedroom wall, the cops are stumped. That is, until they find a body and their missing persons report becomes a full-blown murder investigation. Cassandra realizes that someone is targeting the pagan community. The investigation brings up some heavy emotions, making it harder for her to play human in front of the law enforcement officers she works with. In the midst of aiding the police, Cassandra finally finds herself at serious odds with Sheila Morris, the local werewolf packs Alpha female, when Sheila decides to abuse someone very dear to Cassandra. A certain Alpha has a bone to pick. The question is: Whos going to pick it first? The Third Book in the Cassandra Lyall Preternatural Investigator Series.
