InterestingVon jeanne adamekI had saved this cosy mystery because I wasn't sure that it would be my type. I was

wrong. This story was told well and was actually quite intelligent, no ridiculous reactions from the characters, and what I liked best is Audrey (the main character) was busy with her job as she solved the mystery. She didn't spend a lot of time away from her shop running down clues (unless it had something to do with delivering flowers ect.). I really liked the town and the people who lived there, and I am looking forwards to reading the next book in this series!

KurzbeschreibungAs the co-owner of The Rose in Bloom, Audrey Bloom creates magnificent flower arrangements for brides to be. Though helping to plan a wedding can be stressful, its nothing compared to the groom turning up dead. A designer of eye-catching bridal bouquetsmany of them based on the Victorian meanings behind each flowerAudrey Bloom is used to celebrations that end with happily ever after. In fact, every couple shes worked with is still together, living in wedded bliss. But her perfect record is about to be broken.Her childhood friend Jenny Whitney has reeled in the most eligible bachelor in Ramble, Virginia, and shes hired Audrey to design the bouquet. But before Jenny can walk down the aisle clutching her blend of anemone, scabious, and pussy willow (a floral disaster in Audreys mind), the groom is found deadsprinkled with bits of a bouquet. This is bad for businessnot to mention for Jenny, who has become the prime suspect. So Audrey decides to do a little digging herself, hoping she wont be the next Ramble resident pushing up daisies**Pressestimmen**Praise for Bloom and Doom:Bloom and Doom captivated my attention from the very first page. A thoroughly entertaining and engaging mystery! I can't wait for the next one!**New York Times bestselling author Jenn McKinlay**"Its an engaging bouquet of mayhem and murder. What a delight for cozy readers!"**Erika Chase, national bestselling author of the Ashton Corners Book Club Mysteries****Kurzbeschreibung**As the co-owner of The Rose in Bloom, Audrey Bloom creates magnificent flower arrangements for brides to be.
