The legal-money world and the not-so-legal-money hashtag criminal world.And right now things with his Dad and the irish mob in Boston are very dangerous.Enter Elle.She's this mysterious girl he met in a

lawyer's office. And he can't stay away from her. They shouldn't start something. But they do - and it might just change both their lives. IF they have lives left at the end of all this. WHAT WILL HAPPEN TO ELLE LOGAN??? WILL EVERYBODY SURVIVE THE BOOK? WILL THERE BE A CLIFFHANGER??? NOPE . . . I'm not telling you hmmm yeah - probably a little bit of a Cliffy - but book #2 will be out verrrry soon!!!

I REALLY LOVED THIS BOOK! I wasn't sure what to expect at all I thought it would be something dark and mafia-ish. But it was a really amazing mystery dramance! Yes - we have the Irish mob with this horrible junior-boss Tommy. But our darling Logan is not really a mobster guy - he's only the grandson of one. He's just trying his best to keep his dad out of trouble with the mob. Because it kinda is Logan's fault that his dad has to work for Patrick-the-mob-boss. Every girl who is ever seen with him, lives very dangerously But - as we all know - Logan can't stay away from Elle - and she can't resist him either! It's a really interesting story.... with lots of sexy scenes and mysterious scenes - suspensy scenes - moving and sad scenes.... and grrrrr... the end!!!! o.O BLOW was a really sexy suspensy mysterious moving Romance! I totally fell in love with Logan Elle!!! And now HURRY November 16th - I NEED to know how Elle Logan's story will end! 0 von 0 Kunden fanden die folgende Rezension hilfreich. LESEN LESEN LESEN - ABSOLUTE WEITEREMPFEHLUNG!!! Von Stefanie Bauer Ich lese sehr sehr viele Bücher, aber Blow und Crush sind etwas ganz Besonderes. Sie fesseln dich von Anfang bis zum Ende. Man muss einfach weiterlesen. Ich habe beide Bücher innerhalb von 12 Stunden gelesen, weil so fesselnd waren. Genau die richtige Mischung aus Spannung und Liebe. Bis zum Schluss weiß man nicht genau wie es ausgeht und die Liebesszenen sind hei hei hei! Absolute Weiterempfehlung!! Die besten Bücher, die ich dieses Jahr gelesen habe!! Kim Karr's Meisterleistung.

Kurzbeschreibung New York Times bestselling author Kim Karr kicks off a thrilling, high stakes story of self-discovery and forbidden love... 2 fatal sides. 1 epic love. 7 days to survive. They met in the face of danger. They weren't looking for love. They both knew better. But they couldn't stay away, and they fell hard. He is heart-stopping handsome, fearless and haunted by deadly ties. She is breathtakingly beautiful, determined and in harm's way. They should have parted. They didn't. They never should have f*cked. They did. And now time is running out. One hundred sixty eight hours. That's all that remains. While Logan McPherson fights to save them, Elle Sterling is forced to make a choice that could change everything. When torn between right and wrong, tainted love doesn't have a chance... or does it? *** This is the first book in the Tainted Love Duet. The second book, CRUSH, is now available. BLOW is a full-length romance told in dual POV. It contains mature themes, violence, and strong language, and thus is intended for readers ages 18 and up. *** Kurzbeschreibung New York Times bestselling author Kim Karr kicks off a thrilling, high stakes story of self-discovery and forbidden love... 2 fatal sides. 1 epic love. 7 days to survive. She grew up in Rochester, NY and now lives in Florida with her husband and four kids. She's always had a love for reading books and writing. Being an English major in college, she wanted to teach at the college level but that was not to be. She went on to receive an MBA and became a project manager until quitting to raise her family. Kim currently works part-time with her husband and recently decided to embrace one of her biggest passions--writing. Kim wears a lot of hats! Writer, book-lover, wife, soccer-mom, taxi driver, and the all around go-to person of her family. However, she always finds time to read. One of her favorite family outings was taking her kids when they were little to the bookstore or the library. Today, Kim's oldest child is seventeen and no longer goes with her on these, now rare and infrequent, outings. She finds that she doesn't need to go on them anymore because she has the greatest device ever invented--a Kindle. Kim likes to believe in soul mates, kindred spirits, true friends, and Happily-Ever-Afters. She loves to drink champagne, listen to music, and hopes to always stay young at heart.
