KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mehr Lone Star Cowboys...swoon!Von Henrike F.H.Das Buch ist das 2. in der Lone Star Cowboys Serie. Ich habe es gekauft, nachdem mir die erste Geschichte ber Logan und Megan richtig gut gefallen hat (da war wirklich alles dabei von Romantik, Humor bis hin zu ein paar Trnen).Blue Moon... ist die Geschichte von Carol (Logan's Schwester) und Jake, ihrer Jugendliebe, die durch so einige Auf und Abs gehen. Die Charaktere aus dem ersten Buch tauchen auch wieder auf, und inzwischen hat man sie auch alle lieb gewonnen, so dass man die ganze Zeit ber mit den beiden mitfiebert... und schon mal von einem Urlaub auf eine texanische Ranch trumt!Ich hab' einen Stern abgezogen, weil das erste Buch noch besser war, und mir dieses Mal einfach das "Gewisse Etwas" fehlte.Insgesamt fand' ich das Buch durchaus gelungen, er ist sehr kurzweilig geschrieben und man liest es in 1-2 Tagen komplett durch. Perfekt fr einen regnerischen Tag wie heute. Bin schon gespannt, wie die Serie weitergeht. Mehr davon, bitte!!

KurzbeschreibungBook Two of the Lone Star Cowboys Series and the sequel to Blame it on TexasCarol Tanner makes the decision to move home to Morris Springs, Texas, where everyone she loves now lives. And that everyone includes Jake Reilly, though she hasn't decided if she's going to forgive him. She and Jake were high school sweethearts, but he refused to understand why she'd had to leave Morris Springs--and him--in the first place. When Jake is injured and needs help, Carol makes the decision to move into his house to take care of him. In doing so, she puts both her reputation, and her life, in danger.Jake Reilly is always ready to lend a helping hand to his neighbors, but he finds accepting help is a lot harder than giving it. Especially when that help comes from the Tanners. Carol had walked out on him twice--once right after high school and again two years ago. He wasn't too likely to give her a third chance to break his heart. He has to face his own shortcomings when Carol's life is threatened, because one thing every cowboy knows is that you have to protect what's yours.Look for Book 3, The Bluest Eyes in Texas, available now.KurzbeschreibungBook Two of the Lone Star Cowboys Series and the sequel to Blame it on TexasCarol Tanner makes the decision to move home to Morris Springs, Texas, where everyone she loves now lives.
