Ich kann den zweiten Teil kaum erwartenVon MinelliIch habe geweint und mitgeföhlt und kann den zweiten Teil kaum erwarten. Ich hatte eine Art Insta-Love Erlebnis mit Ryan.Nat versucht nach dem tödlichen Unfall ihrer Eltern wieder auf die Beine zu kommen und zieht deshalb zu ihrem Bruder und seinem besten Freund.Es ist schön zu sehen wie es ihr langsam wieder besser geht und Ryan sie zum Lachen bringt. Dieser Teil hat einen fieseren Cliffhanger und ich hasse mich gerade selbst dafür, dass ich nicht gewartet habe bis der zweite Teil draussen ist.Nate ist im Übrigen der beste Bruder der Welt. Wirklich, ich kenne kein Buch in dem jemand einen besseren Bruder hat.

KurzbeschreibungBook 1 in The Blurred Series: A New Adult Romance.I love my big brother, Nate, and I have no reservations about moving in with him at all. It's his roommate and best friend, Ryan, who's the issue; because I love him, too...or at least I did when I was fifteen. And he hates me or at least he did when he was eighteen. Well, I think he did. I can't think of another explanation for the way he treated me. When Natalie Connor's parents are killed in a car accident, she's left with no choice but to move more than a thousand miles from the home she's always known, to live with her big brother, Nate, and his best friend, Ryan.With anxiety playing a large role in her life, the loss of her loving parents, feelings that still linger for Ryan, and an online relationship to complicate matters even further, can Natalie find a way to be happy and grow into the person she wants to become? Or will all the lies ruin the love she's waited so long to discover?This book ends on a cliffhanger, but the next book in the series is available now on .Blurred Truth (book 2) on :Universal link: getBook.at/AmznBlurredTruthDisclaimer: This book is intended for readers 18+ due to adult language and situations.KurzbeschreibungBook 1 in The Blurred Series: A New Adult Romance.I love my big brother, Nate, and I have no reservations about moving in with him at all.
