Von Whitney Bishop : Bodies in Space (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bodies in Space (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet romance Von Querleser Isaac and Rick are best friends since their childhood. Isaac is autistic and has a different view on life - and love. It is not easy for him to understand people and not always are peolpe understanding him. But Rick

and Isaac just understand each other - don't they?A nice short story of a young guy who is brave enough to go for what he really wants.

KurzbeschreibungA young man on the autism spectrum and his neurotypical boyfriend learn how to work things out
