Stilvolle LiebesgeschichteVon high artKlappentext:Joanna Lucas is single again, but a trip to Venice to consult on a mosaic restoration will help mend her broken heart. Most of her two weeks will be free to explore the city with her friend Deena, but if she'd known who suggested her for the trip, she might have stayed home.An award-winning painter, Chandler Cardin also gives private art lessons. She's the last person Joanna expects to run into so far from Boston. Equally unexpected is the attraction that resurfaces, reminding Joanna of old times. Not all of the memories are good.Maybe she'd be better off taking Deena's advice, and view Venice as her chance to experience the love 'em and

leave 'em life - with anyone but Chandler.-----*seufz* Jeder kennt sie, die eine groe Liebe, die man nie vergisst, auch wenn man sie loslassen musste. Dieser Roman verzaubert vor romantischer Venizianischer Kulisse mit Kunst Kultur und erweckt den Wunsch die einst losgelassene Liebe wiederzuentdecken. Kenna White hat einen klaren, oftmals witzigen Schreibstil und es gelingt ihr meisterhaft Sympathien fr ihre Charaktere zu kreieren. Die Geschichte wirkt an keiner Stelle kitschig oder an den Haaren herbeigezogen, ganz im Gegenteil. Auch die fehlenden, fr Lesbenromane schon fast typischen expliziten Sexszenen tragen das ihre zu dem stilvollen Genu dieses Buches bei. Nicht falsch verstehen, ich bin wahrlich keine Kostverchterin, aber dieses Buch bedarf solcher Szenen nicht. Statt dessen wird hier weich berichtet und weich geliebt...einfach traumhaft romantisch. Absolute Kaufempfehlung. PS: Falls ihr euch fragt, ob ich dem Wunsch nachgegeben habe und versucht habe meine verlorene Liebe wiederzusehen...nein...vielleicht ein anderes Mal.

Kurzbeschreibung Joanna Lucas is single again, but a trip to Venice to consult on a mosaic restoration will help mend her broken heart. Most of her two weeks will be free to explore the beautiful Italian city with her friend Deena, but if she'd known who recommended her for the trip, she might have stayed home. An award-winning painter, Chandler Cardin also gives private art lessons. She's the last person Joanna expects to run into so far from Boston. Equally unexpected is the attraction that resurfaces, reminding Joanna of old times. But far too much water has flowed under those bridges. Maybe she'd be better off taking Deena's advice, and view Venice as her chance to experience the love em and leave em lifewith anyone but Chandler. Bestselling author Kenna White Romancing the Zone, Comfortable Distance takes readers on a breathless journey through the beauties of Venice and the romance of a lifetime.
