KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. strange bookVon Ein KundeBond tries to copy many of today's contemp. romance writers by introducing the elements of murder and suspense in their romance plotlines. This one is a little too gory and not that character romance is not that clear or interesting. It's worth a read if you really have nothing better to do. but definitely not a book to put on a wish list.0 von 0 Kunden fanden die folgende Rezension hilfreich. Entertaining, Well-Written Light ReadVon SimoneThis was an entertaining, campy book. The characters were pretty well developed and the story was fun enough with just a bit of mystery that kept you entertained. Not a serious book by any means and not a whole lot of dramatic scandal

going on, but it flowed enough that i was able to say hmm interesting.0 von 0 Kunden fanden die folgende Rezension hilfreich. Nette Lektüre für Fans von Stephanie Plum Von Daisy Duck Eine verpeilte Heldin, viel Witz und peinliche Situationen. Habsches Buch für Zwischendurch. Wer die Romane über die Kautionsdetektivin Stephanie Plum mag, wird auch die "Party Crashers" mögen.

Kurzbeschreibung With fugitive parents, a brother dodging loan sharks, a hunky cop who's made her outlaw family his business, a buff body mover looking to make a move on her and her ex-fiancé back in the picture, Carlotta Wren thought her life couldn't get any more complicated. And then... Her best friend jumps on the body-moving bandwagon. Her fugitive parents phone home. Her identity is stolen by a look-alike. Her look-alike is found, well... dead. Under suspicion for murder, Carlotta discovers that her devious double might've been bumped off accidentally--and that she could be the real target! Throw in dealing with her motley crew of family, friends and wannabe lovers, and Carlotta begins to think that jail isn't such a bad alternative after all....
