Von Connie Mason : Bold Land, Bold Love (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bold Land, Bold Love (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ON OF MY FAVORITESVon Ein KundeReading Bold Land Bold Love was an experience I enjoy over and over again. IT made me feel like I was there experiencing what Dare Casey felt and what they were going through. It kept my interest and I laughed with them and also cried with them. I found it very easy to Hate the villianess. It is one of many of Ms. Mason's books which once you open it it will keep you interest from the first page to the last.0 von 0 Kunden fanden

die folgende Rezension hilfreich. The book is what got me hooked on Connie Mason. Von Ein Kunde My sister in law read the Brave Land, Brave Love and said it was really a great book. She gave it to me to read and I noticed it was the last book of 3. I went to the library to get the other 2 books before it. I read all 3 in 1 week. Couldn't put them down. Mrs. Mason is a very good writer. I'm hooked and plan on reading her other books. Keep up the good work. 0 von 0 Kunden fanden die folgende Rezension hilfreich. a very very good book! Von Ein Kunde i loved this book! i have been reading romance books for a while now and i have come across bad and good books. this goes in the GREAT column. if you like adventure, romance, Australia, red-haired convicts, and dark haired men all in the 1800's (1807-1810) then you would love this book. i did!!

Kurzbeschreibung New South Wales, 1807 It was a vast land of wild beauty and wilder passions; a frontier as yet untamed by man; a place where women had few rights and fewer pleasures. For a female convict like flame-haired Casey O'Cain, it was a living nightmare. Exquisitely beautiful, utterly helpless, she was expected to cater to her master's every whim. And from the first, arrogant, handsome Dare Penrod made it clear what he wanted of her. Casey knew she should fight him with every breath in her body, but her heart told her he could make a paradise of this wilderness for her. His callused hands took rights she should never have granted, his warm lips whispered of pleasures she had never known, and his hard body promised a love she would never relinquish. This book is part of an Australian trilogy. Other titles in this series include Bold Land, Bold Love and Wild Land, Wild Love.
